USANA Celebrates Longevity and Success in Malaysia

SALT LAKE CITY, May 2, 2017 /PRNewswire/ -- USANA's Malaysian market is enjoying an exciting start to 2017 — with the opening of a new, state-of-the-art facility, and a celebration of its 10-year anniversary of opening business operations. The grand opening and anniversary festivities culminated on April 20th — with a tour of the new office and inspiring talks from USANA executives and business leaders.

"When you look at the success and growth we have experienced in Malaysia over the last 10 years, it's easy to see why it's one of USANA's most exciting markets," said Jim Brown, president and chief operating officer at USANA. "The new office is an amazing space that should allow the team in Malaysia to grow and as we continue to focus on improving the health and nutrition of individuals and families in this beautiful market."

USANA Malaysia opened its doors in 2007 and has grown steadily over the last decade, with a projection for continued growth. The Southeast Asia Pacific region saw double-digit constant currency sales growth in 2016, led by the Malaysian market, along with Australia, Singapore and New Zealand.
