Global Eagle Entertainment and L.E.K. Consulting to Host Webinar: "Developing Digital Media Solutions to Drive New Revenue Opportunities for Airlines"

LOS ANGELES, Oct. 21, 2014 (GLOBE NEWSWIRE) -- Global Eagle Entertainment Inc. (Nasdaq:ENT), a worldwide leading provider of content, connectivity and digital media solutions to airlines, and L.E.K Consulting, a global consulting firm with deep aviation and travel expertise, will host a webinar entitled: *Developing Digital Media Solutions to Drive New Revenue Opportunities for Airlines*. The 1-hour webinar, including Q&A from the audience, will begin on Wednesday, October 29, at 2 PM Eastern Time / 11 AM Pacific Time.

This webinar is designed to answer questions about driving new business opportunities for airlines and increasing engagement with the passenger. Through digital media solutions offered by Global Eagle Entertainment ("GEE"), including its WISE™ wireless inflight entertainment solution for content delivery to passengers' electronic devices and its growing sponsorship and advertising platform, airlines can improve the passenger experience while also driving new revenue opportunities.

The event will be hosted by John Thomas of L.E.K Consulting, and includes two panelists from Global Eagle Entertainment, Alexis Steinman and Robin Cole. John Thomas is a Managing Director at L.E.K Consulting. John has been actively involved in the aviation industry for the past 35 years, initially as an operator and for the past 20+ years as a strategic advisor to the industry, working with all the major airlines. Alexis Steinman, Senior Vice President, Software & Development at Global Eagle, manages digital media and content solutions for GEE. Robin Cole, Vice President, Global Business Development at GEE, has helped build and expand the digital media solutions platform at Global Eagle and runs the sponsorship and advertising initiatives.
