FibroBiologics to Host In-Person Analyst Day to Provide Research & Development Updates

FibroBiologics to also present at the BIO CEO & Investor Conference

HOUSTON, Feb. 05, 2025 (GLOBE NEWSWIRE) -- FibroBiologics, Inc. (Nasdaq: FBLG) ("FibroBiologics"), a clinical-stage biotechnology company with 160+ patents issued and pending with a focus on the development of therapeutics and potential cures for chronic diseases using fibroblasts and fibroblast-derived materials, announced that it will host an in-person analyst day at the New York Marriott Marquis on February 12, 2025, at 2:00 p.m. ET.

The event will feature presentations from the following members of the Company's management:

- Pete O'Heeron, Chief Executive Officer
- Hamid Khoja, PhD, Chief Scientific Officer
- Robert Hoffman, Interim Chief Financial Officer

The event will highlight FibroBiologics' research and development strategy for advancing fibroblast-based therapeutics to address chronic diseases.

A live Q&A session will follow the formal presentations. An audio recording of the presentation and Q&A will be available under the investor section of the FibroBiologics website after the event.

In addition, FibroBiologics will be presenting at the 2025 BIO CEO & Investor Conference in New York, NY, from February 10-11. Details of the event are as follows:

Date: Tuesday, February 11

Time: 11:15 a.m. ET

Location: The New York Marriott Marquis

Track: Plymouth Room
