About Concrete Pumping Holdings

CPH is the leading provider of concrete pumping services and concrete waste management services in the U.S. and the U.K., operating under the only established, national brands in both regions (Brundage-Bone and Camfaud, respectively). The Company's large fleet of specialized pumping equipment and trained operators position it to deliver concrete placement solutions that facilitate substantial labor cost savings to customers, shorten concrete placement times, enhance worksite safety and improve construction quality. CPH is also the leading provider of concrete waste management services in the U.S., operating under the only established, national brand – Eco-Pan. Highly complementary to its core concrete pumping service, Eco-Pan provides a full-service, cost-effective, regulatory-compliant solution to manage environmental issues caused by concrete washout. As of January 31, 2019, CPH provides concrete pumping services in the U.S. from a footprint of 80 locations across 22 states, concrete pumping services in the U.K. from 28 locations, and route-based concrete waste management services from 14 locations in the U.S. For more information, please visit CPH's brand websites at www.brundagebone.com, www.camfaud.co.uk, or www.eco-pan.com.

Forward-Looking Statements

This press release includes "forward-looking statements" within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. The Company's actual results may differ from their expectations, estimates and projections and consequently, you should not rely on these forward-looking statements as predictions

of future events. Words such as “expect,” “estimate,” “project,” “budget,” “forecast,” “anticipate,” “intend,” “plan,” “may,” “will,” “could,” “should,” “believes,” “predicts,” “potential,” “continue,” and similar expressions are intended to identify such forward-looking statements. These forward-looking statements include, without limitation, the Company’s expectations with respect to future performance, the performance of Capital Pumping and the expected benefits from the Capital Pumping acquisition. These forward-looking statements involve significant risks and uncertainties that could cause the actual results to differ materially from the expected results. Most of these factors are outside the Company’s control and are difficult to predict. Factors that may cause such differences include, but are not limited to: the outcome of any legal proceedings that may be instituted against the Company or its subsidiaries; the ability to recognize the anticipated benefits of the Capital Pumping acquisition, which may be affected by, among other things, competition, the ability of the Company to grow and manage growth profitably and retain its key employees; changes in applicable laws or regulations; the possibility that the Company may be adversely affected by other economic, business, and/or competitive factors; and other risks and uncertainties indicated from time to time in the Company’s filings with the Securities and Exchange Commission. The Company cautions that the foregoing list of factors is not exclusive. The Company cautions readers not to place undue reliance upon any forward-looking statements, which speak only as of the date made. The Company does not undertake or accept any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements to reflect any change in its expectations or any change in events, conditions or circumstances on which any such statement is based.
