## **Professional Diversity Network Announces Reverse Stock Split Effective September 27, 2016**

CHICAGO, Sept. 26, 2016 (GLOBE NEWSWIRE) -- Professional Diversity Network, Inc. ("PDN" or "the Company") (NASDAQ:IPDN), a developer and operator of online networks that provide access to employment opportunities for diverse professionals in the United States, announced today that it had filed a Certificate of Amendment to its Amended and Restated Certificate of Incorporation to effect a 1-for-8 reverse stock split of its common stock that is expected to become effective at 12:01 a.m. EDT on September 27, 2016 and the Company's common stock is expected to begin trading on a post-split basis at the open of trading on September 27, 2016.

At the Annual Meeting held earlier today, the Company's stockholders approved the proposal authorizing the Board of Directors to implement the reverse stock split at a ratio within the range from 1-for-2 to 1-for-15, and to amend the Company's Amended and Restated Certificate of Incorporation to effect the reverse stock split and to proportionately reduce the number of shares of common stock the Company is authorized to issue. The Board of Directors approved a final 1-for-8 ratio immediately following the Annual Meeting of Stockholders. The reverse stock split was undertaken to raise the per share trading price of the Company's common stock to regain compliance with the \$1.00 per share minimum bid price requirement for continued listing on the Nasdaq Capital Market.

The reverse stock split will reduce the number of shares of the Company's outstanding common stock from approximately 14.5 million, to approximately 1.8 million and the number of shares of common stock the Company is authorized to issue will be reduced from 25 million to approximately 3.1 million. Any fractional shares resulting from the reverse stock split will be rounded up to the next whole share. Proportional adjustments will be made to the Company's outstanding stock options and warrants, and the number of shares of common stock authorized for issuance under the Company's 2013 Equity Compensation Plan will be proportionately reduced.

The Company's shares will continue to trade on The Nasdaq Capital Market under the symbol "IPDN" and a new CUSIP number, 74312Y 202, has been assigned to the Company's common stock as a result of the reverse stock split.

Continental Stock Transfer & Trust Company, Inc., the Company's transfer agent, will be acting as the exchange agent in connection with the reverse stock split. Stockholders holding common stock in certificated form will receive instructions from the transfer agent on how to surrender the certificates representing the pre-split shares in exchange for the new certificates. Stockholders who hold their shares electronically or in street name are not

required to take any action to effect the exchange of their shares.
