Professional Diversity Network Announces Committed Equity Line

CHICAGO, June 30, 2023 (GLOBE NEWSWIRE) -- Professional Diversity Network, Inc. (Nasdaq: IPDN) ("PDN"), today announced it has secured a committed equity financing facility under which it may sell up to \$12,775,000 of its shares of common stock to Tumim Stone Capital LLC ("Tumim Stone") over a 24-month period.

During the term of the purchase agreement, at its sole discretion and subject to certain conditions, PDN may present Tumim Stone with draw down notices requiring Tumim Stone to purchase a specified number of shares of its common stock, subject to certain limits. The price of shares sold in each draw will be a pre-negotiated discount to the volume-weighted-average price of PDN's common stock over a multi-day pricing period. The actual amount of funds that can be raised under this facility will depend on the number of shares actually sold under the agreement and the market value of PDN's stock during the pricing period of each sale. The purchase agreement also provides for an initial purchase of \$2 million of common stock at the average of the last five closing prices reported on Nasdaq at the time of signing.

PDN may not issue more than 2,052,879 shares in connection with the facility, which is less than 20% of its outstanding shares of common stock on June 29, 2023, subject to certain exceptions. Any shares sold under this facility will be registered on Professional Diversity Network's effective shelf registration statement on Form S-3 (File No. 333-260316) filed with the Securities and Exchange Commission. The registration statement also covers the sale of those shares from time to time by Tumim Stone to the public.

Maxim Group LLC has acted as placement agent and will receive a fee for its services at the time of any draw under the facility.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.
