ApolloMed Announces That Network Medical Management Has Entered Into An Agreement With Golden Shore Medical Group To Manage Over 100,000 Patients

THE COMPANY NOW HAS ONE MILLION PATIENTS ON ITS POPULATION HEALTH MANAGEMENT PLATFORM

GLENDALE, Calif., Feb. 5, 2018 /PRNewswire/ --**Apollo Medical Holdings, Inc.** ("ApolloMed" or "the Company") (NASDAQ: AMEH), an integrated population health management company, today announced that its management services organization ("MSO"), Network Medical Management, Inc. ("NMM"), has entered into a Management Services Agreement ("MSA") with Golden Shore Medical Group ("Golden Shore") to manage over 100,000 patients in California.

Golden Shore Medical Group currently provides quality healthcare services to more than 100,000 patients and operates 17 clinics in four California counties: Sacramento County, San Bernardino County, Riverside County and Los Angeles County.

Previously, the clinics were managed by Molina Medical Management, a subsidiary of Molina Healthcare, until being recently acquired by Dr. J. Mario Molina, formerly the Chief Executive Officer and Chairman of Molina Healthcare, a health insurance company with \$19 billion in revenue listed on the New York Stock Exchange. Dr. Molina now serves as President and owner of Golden Shore.

Pursuant to the terms of the MSA, NMM will be responsible for managing all health plan members assigned or delegated to Golden Shore, as well as all hospital risk pools. This effort is expected to be supported by the Company's population health management platform, which includes administrative, clinical and technology capabilities.

"We are very pleased to announce this new agreement with Golden Shore Medical Group, which will add more than 100,000 patients to our population health management platform," stated Warren Hosseinion, M.D., Co-Chief Executive Officer of Apollo Medical Holdings. "Our integrated platform now has over one million patients who are under value-based capitation arrangements with multiple health plans."

"Network Medical Management's footprint now extends into eleven counties in California," stated Thomas Lam, M.D., Co-Chief Executive Officer of Apollo Medical Holdings. "These counties are in Northern California, including the San Francisco Bay Area and Sacramento, in Central California, including Fresno, Kings and Tulare counties, and in Southern California."

"Thanks to the administrative and operational expertise of Network Medical Management,

Golden Shore Medical Group and our talented team of physicians, caregivers and staff can be fully focused on providing the best possible care to the more than 100,000 Californians we serve," stated J. Mario Molina, M.D., President and Owner of Golden Shore Medical Group.

"We are very excited to partner with Dr. Molina and his team to deliver differentiated care to Golden Shore's patients," stated Kenneth Sim, M.D., Executive Chairman of Apollo Medical Holdings. "By bringing our distinctive MSO, clinical management and technology solutions to the table, we expect to improve the health of Golden Shore's members."

About Apollo Medical Holdings, Inc. (ApolloMed)

Forward Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, such as statements about the success and continuity of the Company's relationship with Accountable IPA and the Company's population health management platform. Forward-looking statements reflect current views with respect to future events and financial performance and therefore cannot be guaranteed. Such statements are based on the current expectations and certain assumptions of the Company's management, and some or all of such expectations and assumptions may not materialize or may vary significantly from actual results. Actual results may also vary materially from forward-looking statements due to risks, uncertainties and other factors, known and unknown, associated with such statements, many of which are beyond the control of the Company, which could cause the actual results, performance or achievements of the Company and its subsidiaries and variable interest entities to be materially different than those that may be anticipated on the basis of historical trends. Examples of such risks and uncertainties include but are not limited to the impact of emerging and existing competitors, the effect of new legislation on the Company's industry and business, the effectiveness of the Company's compliance and control initiatives, changes to Medicare reimbursement programs, whether or not the Company receives an "all or nothing" annual payment from the CMS in connection with our participation in the Medicare Shared Savings Program (the "MSSP"); the success of the Company's focus on next generation accountable care organization ("NGACO"), including whether the Company can continue to participate in the All-Inclusive Population-Based Payment ("AIPBP")

Mechanism of the NGACO Model, as well as other factors described from time to time in the Company's reports to the Securities and Exchange Commission (including without limitation the "Risk Factors" discussed in the Company's Quarterly Report on Form 10-Q filed on November 14, 2017 for the quarter ended September 30, 2017, Annual Report on Form 10-K filed on June 29, 2017 for the year ended March 31, 2017, Registration Statement Amendment No. 2 on Form S-4/A filed on November 9, 2017, and Rule 424(b)(3) prospectus filed on November 15, 2017). Should one or more of these risks or uncertainties materialize, or should any expectations or assumptions underlying the relevant forward-looking statements prove incorrect, the Company's actual results, performance or achievements may vary materially from those described in such statements as being expected, anticipated, intended, planned, believed, sought, estimated or projected. Investors and other readers, therefore, should not place reliance on any forward-looking statements or use any historical trends to anticipate or predicate results or trends in future periods. Any statements included herein are made only as of the date hereof. The Company undertakes no obligation to update or revise any statement to reflect the impact of circumstances or events that arise after the date hereof, except as required by law, and also undertakes no obligation to correct or update information prepared by third parties.
