Professional Diversity Network Announces Share Repurchase Program

Company Will Announce First Quarter Financial Results on May 15

CHICAGO, April 29, 2013 (GLOBE NEWSWIRE) -- Professional Diversity Network, Inc. (Nasdaq:IPDN), a developer and operator of online networks dedicated to serving diverse professionals in the United States and providing them with access to employment opportunities, today announced that its Board of Directors has authorized a share repurchase program pursuant to which the Company may repurchase up to \$1 million of its outstanding common stock.

The repurchases under the program will be made from time to time over the next 6 months at prevailing market prices in open market or privately negotiated transactions, depending upon market conditions. The manner, timing and amount of any repurchases will be determined by the Company based on an evaluation of market conditions, stock price and other factors and made in compliance with the anti-fraud and anti-manipulation provisions of the Securities Exchange Act of 1934. In any event, no repurchases may be made until after the Company's trading window opens, which will be several days following the release of the Company's quarterly earnings.

Under the program, the purchases will be funded from available working capital, and the repurchased shares will be held in treasury. The program does not obligate the Company to acquire any particular amount of common stock, and it may be modified or suspended at any time at its discretion. As of March 28, 2013, the Company had 6,318,227 shares outstanding.

The Company also announced that it will release its results for the first quarter ended March 31, 2013 before the market opens on Wednesday, May 15, 2013, followed by a conference call at 8:30 am ET.
