“This was an all-around very successful quarter for the Company,” said Kevin Guest, Chief Executive Officer and Chairman of the Board. “During the quarter, our strategies led to strong global customer demand for our high-quality nutritional products. We also offered various incentives and promotions that were well received and contributed meaningfully to sales and customer growth for the quarter.”

“Of further note, USANA’s Virtual Events strategy proved successful during the quarter. Our annual Americas and Europe Convention and our China National Sales Meeting were both held virtually, and this allowed us to reach larger audiences than did many of our past, in-person events. Throughout 2020, our management team and Associate sales force have demonstrated their ability to modify strategies and adapt to continually changing conditions, all in an effort to continue to advance USANA’s mission of health and wellness. We look forward to a strong finish to 2020 and delivering further growth in 2021.”

The Company ended the quarter with \$278.4 million in cash and cash equivalents and no debt. During the quarter, the Company did not repurchase any shares of common stock and, as of the end of the third quarter, there was approximately \$73 million remaining under the current share repurchase authorization.

Fiscal 2020 Outlook

The Company is updating its consolidated net sales and earnings per share outlook for fiscal year 2020.

Fiscal Year 2020 Outlook		
	Revised Range	Previous Range
Consolidated Net Sales	\$1.090 - \$1.115 billion	\$1.050 - \$1.100 billion
Diluted EPS	\$5.15 - \$5.45	\$4.70 - \$5.25

Doug Hekking, Chief Financial Officer, said, "In light of our third quarter results and our expectations for the fourth quarter, we are raising our net sales and EPS guidance. While we do not have incentive offerings of a similar magnitude scheduled for the fourth quarter, we expect the business to produce solid results and carry momentum into 2021. Going forward, we will continue to focus our efforts on balancing the need for financial flexibility with continued investments in opportunities that allow us to execute our long-term growth strategies."

Non-GAAP Financial Measures

The Company prepares its financial statements using U.S. generally accepted accounting principles ("GAAP"). Constant currency net sales, earnings, EPS and other currency-related financial information (collectively, "Financial Results") are non-GAAP financial measures that remove the impact of fluctuations in foreign-currency exchange rates ("FX") and help facilitate period-to-period comparisons of the Company's Financial Results that we believe provide investors an additional perspective on trends and underlying business results. Constant currency Financial Results are calculated by translating the current period's Financial Results at the same average exchange rates in effect during the applicable prior-year period and then comparing this amount to the prior-year period's Financial Results.
