“At PACS, care comes first, and to have 58 of our communities named to U.S. News &

World Report's Best Nursing Homes for 2027 demonstrates the unwavering commitment our teams have to their residents," said Josh Jergensen, PACS President and Chief Operating Officer. "This recognition belongs to the incredible teams in these communities who consistently put residents first and work every day to help them achieve the best possible outcomes."

According to U.S. News & World Report, the evaluation is based on 17 quality measures, including staff levels and turnover rates, patient outcomes, processes of care, and more.

About PACS™ Group, Inc. —PACS Group, Inc. (NYSE: PACS) is a holding company investing in post-acute healthcare facilities, professionals, and ancillary services. Founded in 2013 and headquartered in Salt Lake City, Utah, PACS is one of the largest post-acute platforms in the United States. Its independent subsidiaries operate 398 post-acute care facilities across 22 states serving more than 38,000 patients daily. PACS's business support division, PACS Services, provides technology and administrative support services — accounting, finance, human resources, compliance, payroll, AR/AP, legal, risk management, information technology, corporate communication, and other business advice and support — to their healthcare facilities, reducing administrative burdens so their leadership and care teams can focus on the care, well-being, and quality of life of their patients and residents. PACS has been recognized by Utah Business magazine as one of Utah's Best Companies to work for, back-to-back, in 2022 and 2023. They've also been recognized as one of Utah's Fastest Growing Companies; they ranked #25 in 2022, and #9 in 2023. For more information, visit www.pacs.com or ir.pacs.com.
