Amerant Announces Approval of Class B Share Repurchase Program

CORAL GABLES, Fla., March 10, 2021 (GLOBE NEWSWIRE) -- Amerant Bancorp Inc. (NASDAQ: AMTB and AMTBB) (the "Company" or "Amerant") today announced that on March 10, 2021, the Company's Board of Directors (the "Board") authorized a new share repurchase program (the "Repurchase Program") authorizing the Company to purchase, from time to time, up to an aggregate amount of \$40 million of its shares of Class B common stock (the "Class B Stock"). Repurchases under the Repurchase Program may be made in the open market, by block purchase, in privately negotiated transactions or otherwise in compliance with Rule 10b-18 under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

Gerald P. Plush, Executive Vice Chairman and incoming CEO, remarked, "The Board's stock repurchase authorization of our Class B Stock underscores the confidence we have in our future performance, and having the Repurchase Program in place will enhance our ability to efficiently manage capital while increasing total return to shareholders."

Repurchases of the Class B Stock (and the timing thereof) will depend upon market conditions, regulatory requirements, other corporate liquidity requirements and priorities and other factors as may be considered in the Company's sole discretion. Repurchases may also be made pursuant to a trading plan under Rule 10b5-1 under the Exchange Act, which would permit shares to be repurchased when the Company might otherwise be precluded from doing so because of self-imposed trading blackout periods or other regulatory restrictions.

The Repurchase Program does not obligate the Company to repurchase any particular amount of Class B Stock, and may be suspended or discontinued at any time without notice.
