NetSol Technologies and ABeam Consulting Sign Strategic Partnership Agreement to Support the Japanese Asset Finance & Leasing Industry

CALABASAS, Calif. and TOKYO, April 5, 2012 (GLOBE NEWSWIRE) -- NetSol Technologies, Inc. (Nasdaq:NTWK), and ABeam Consulting Ltd. announced today a strategic partnership agreement that leverages the companies' mutual strengths by jointly developing and supporting business in the asset finance and leasing industry in Japan, as well as cooperating in other key markets to serve Japanese corporations operating throughout the Asia Pacific region.

NetSol brings to the partnership one of the most successful lending technology platforms in the industry, known as the NetSol Financial Suite (NFS)[™], which supports the asset finance and leasing industry across Asia Pacific, North and South America, and Europe. NFS currently supports over \$100 billion of client portfolios. NetSol will launch its localized Japanese version of the NFS system with its second system implementation in Japan for a renowned European automotive captive finance brand that NetSol currently supports in more than ten countries.

ABeam, an IT consulting services firm with extensive operations in Japan and throughout Asia, the Americas and Europe, is a leader in the asset finance and leasing industry in Japan. ABeam also provides SAP ERP consulting with the largest number of SAP-certified ERP consultants in Japan. Additionally, ABeam provides consulting services relating to internal controls and mergers and acquisitions.

"We are delighted to partner with ABeam Consulting to strengthen our presence and capabilities in Japan through their substantial expertise in the Japanese asset finance and leasing domain," said Salim Ghauri, Chairman and Chief Executive Officer of NetSol Technologies Ltd., a majority owned subsidiary of NetSol Technologies, Inc., "We believe this partnership will open up a world of opportunities for both NetSol and ABeam, not only in Japan, but throughout the Asia Pacific region. With ABeam as our partner, NetSol will offer a true localized experience to its Japanese customers. Together, we will be offering exciting end-to-end leasing solutions for companies in all segments of this sizable and growing market."

Mr. Toshinori Iwasawa, President and Chief Executive Officer of ABeam Consulting Japan commented, "We are excited to help NetSol gain additional visibility for the Japanese

version of its Financial Suite, one of the most robust offerings in the asset finance and leasing arena. Through this partnership, we will leverage our rich consulting experience and strong reputation in the leasing and captive finance markets to provide local support to NetSol's customers in Japan, while fortifying NetSol's key initiatives for Japanese customers throughout the Asia Pacific region."
