TTM Technologies, Inc. to Webcast Presentation at Needham and Company LLC 10th Annual Growth Stock Conference

SANTA ANA, Calif.--(BUSINESS WIRE)--

TTM Technologies, Inc. (Nasdaq:TTMI), a leading manufacturer of time-critical, technologically advanced printed circuit boards, will participate in the Needham and Company, LLC 10th Annual Growth Stock Conference on Tuesday, January 8, 2008 at The Palace Hotel in New York. A live webcast of the presentation will take place at 3:30 p.m. Eastern Standard Time.

Kent Alder, Chief Executive Officer, and Doug Soder, Executive Vice President, will discuss TTM's successful strategy and its ability to capture market share in the printed circuit board industry.

The presentation will be webcast on the company's website, www.ttmtech.com, and will remain accessible for 30 days following the event.

About TTM Technologies, Inc.

TTM Technologies, Inc. is North America's largest printed circuit board manufacturer, focusing on quick-turn and technologically advanced PCBs and the backplane and sub-system assembly business. TTM stands for time-to-market, representing how the company's time-critical, one-stop manufacturing services enable customers to shorten the time required to develop new products and bring them to market. Additional information can be found at www.ttmtech.com.
