# Ralliant Announces Third Quarter 2026 Earnings Release and Conference Call Date

RALEIGH, N.C.--(BUSINESS WIRE)-- Ralliant Corporation (“Ralliant” or the “Company”) (NYSE: RAL) will release earnings for the third quarter of 2026 before the opening of the New York Stock Exchange on Wednesday, November 4, 2026. The Company will host a conference call on Wednesday, November 4, 2026, at 8:30 a.m. ET, to discuss the results.

The conference call can be accessed by dialing 877-407-8211 within the U.S. or +1 201-389-0902 outside the U.S. before 8:30 a.m. ET and notifying the operator that you are dialing in for Ralliant’s earnings conference call. Access to the real-time audio webcast may be found on the Ralliant Investor Relations website at https://investors.ralliant.com, where related materials will be posted prior to the conference call and a replay of the webcast will be available for six months following the conference call.

**About Ralliant**

Ralliant is a global provider of precision technologies that specializes in designing, developing, manufacturing, and servicing precision instruments and highly engineered products. Ralliant’s two strategic reporting segments — Sensors & Safety Systems and Test & Measurement — include well-known brands with leading positions in their markets. The Company’s businesses empower engineers with precision technologies essential for breakthrough innovation that brings advanced technologies to the market faster and more efficiently. With over 150 years of operating experience and enduring customer trust, the Company is known for delivering innovative, high-quality products with the precision that mission-critical systems demand. Ralliant is headquartered in Raleigh, North Carolina and employs a team of approximately 7,000 research and development, manufacturing, sales, distribution, service, and administrative employees. The Company’s global footprint enables a unique 'engineer to engineer' approach, which allows it to build enduring trust, credibility, and partnerships with customers across both Fortune 1000 companies and next-generation start-up enterprises. With a culture rooted in continuous improvement, the core of the Company’s operating model is the Ralliant Business System. For more information please visit: www.ralliant.com.
