- Items of Business**
- (1) Re-election of each of Messrs. Dov Ofer, Yuval Cohen, S. Scott Crump, John J. McEleney, David Reis, and Yair Seroussi, and Ms. Adina Shorr, and the initial election of Mr. David Chinn, collectively constituting the Company’s director nominees, to serve as a director of the Company until the Company’s next annual general meeting of shareholders and until the due election and qualification of his or her successor, or until his or her earlier resignation, replacement or removal.
 - (2) Re-appointment of Kesselman & Kesselman, a member of PricewaterhouseCoopers International Limited, as the Company’s independent auditors for the year ending December 31, 2026 and for the additional period until the Company’s next annual general meeting of shareholders, and authorization of the Company’s board of directors (the “**Board**”) (upon recommendation of the audit committee of the Board) to fix their remuneration.

In addition to the foregoing proposals, at the Meeting, the audited, consolidated financial statements of the Company for the annual period ended December 31, 2025, will be presented to, and considered by, the Company’s shareholders. That matter will not involve a vote

Record Date Our Board unanimously recommends a vote “FOR” each of the above two numbered proposals. You are entitled to vote if you were a shareholder of the Company as of the close of business on Friday, October 9, 2026.

Further Information The proposals and details with respect to the Meeting are described more fully in the attached proxy statement, which we are distributing (together with this notice) to our shareholders and which we urge you to read in its entirety. This notice, the aforementioned proxy statement and a related proxy card are also being furnished to the U.S. Securities and Exchange Commission (the “SEC”), in a Report of Foreign Private Issuer on Form 6-K, which you may obtain for free from the SEC’s website at www.sec.gov or at our Company’s website, www.stratasys.com.

Votes Needed for Approval Approval of each proposal above requires the affirmative vote of the holders of a majority of the voting power represented at the Meeting in person or by proxy and voting on the proposal (excluding abstentions and broker non-votes).

The vote of each of the Company's shareholders is important.

Accordingly, we urge you to read the attached proxy statement and vote your shares or provide voting instructions promptly, regardless of the number of shares you own. If you are a shareholder of record, you may vote shares that you own directly by signing and returning the form of proxy in the enclosed envelope. You may revoke your proxy at any time before it is voted, and if you wish (subject to the below limitations), you may attend the Meeting and vote in person even if you have previously signed a proxy. If your shares are held in street name (i.e., shares that are held through a bank, broker or other nominee), you may instruct how you want your shares voted. Specific information as to how to provide your voting instructions is set forth on the enclosed voting instruction form provided by your bank, broker or nominee. As an alternative to completing and mailing a physical proxy card or voting instruction form, shareholders may vote their shares or provide voting instructions online (at www.proxyvote.com) or via telephone (as indicated on the enclosed proxy card or voting instruction form).

Attendance at Meeting If you hold ordinary shares as of the record date for the Meeting (October 9, 2026) and desire to attend in person, if a record shareholder, you will need to provide, at the Meeting, the name under which your shares are held of record, as well as proof of ownership (a copy of a share certificate or a statement showing book-entry shares). If you hold your shares in "street name" (through a bank or broker), please bring a "legal proxy" from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the Meeting, along with an account statement or other proof that shows that you owned your shares as of the record date for the Meeting.

**PROXY STATEMENT FOR 2026 ANNUAL GENERAL MEETING OF SHAREHOLDERS
TO BE HELD ON NOVEMBER 10, 2026**

**QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL GENERAL
MEETING**

Why am I receiving these materials?

We have sent you this proxy statement and the enclosed form of proxy or voting instruction form because the board of directors (the “**Board**”) of Stratasys Ltd. (also referred to as “**we**”, “**us**”, the “**Company**,” “**our Company**” or “**Stratasys**”) is soliciting your proxy to vote your shares at our 2026 Annual General Meeting of Shareholders (the “**Meeting**”), to be held at 3:00 p.m., Israel time, on Tuesday, November 10, 2026 at the offices of our external legal counsel, Meitar Law Offices, 1 Ariel Sharon Street, 36th floor, Givatayim 5320048, Israel.

What items of business will be voted on at the Meeting?

(1) Re-election of each of Messrs. Dov Ofer, Yuval Cohen, S. Scott Crump, John J. McEleney, David Reis, and Yair Seroussi, and Ms. Adina Shorr, and initial election of Mr. David Chinn, to serve as a director on the Board until the Company’s next annual general meeting of shareholders and until the due election and qualification of his or her successor, or until his or her earlier resignation, replacement or removal.

(2) Re-appointment of Kesselman & Kesselman, a member of PricewaterhouseCoopers International Limited (“**PwC Israel**”), as the Company’s independent auditors for the year ending December 31, 2026 and for the additional period until the Company’s next annual general meeting of shareholders, and authorization of the Board (upon recommendation of the audit committee of the Board) to fix their remuneration.

In addition to the foregoing proposals, at the Meeting, the audited, consolidated financial statements of the Company for the annual period ended December 31, 2025 will be presented to, and considered by, the Company’s shareholders. The shareholders will furthermore transact such other business as may properly come before the Meeting or any adjournment thereof. It is the intent of the chairman of the Meeting to allow the presentation of only those matters set forth in the above agenda, for which advance notice was properly provided to the Company’s shareholders. Any other substantive agenda item initially raised at the Meeting would be deemed out of order.

How does the Board recommend that I vote?

Our Board recommends that you vote **FOR** each of the two proposals described above.

Why is the Board proposing, and recommending to vote in favor of, the specific agenda items to be presented at the Meeting?

Proposal 1 — the election or re-election, as applicable, of director nominees — is a matter required to be presented for approval at every annual general meeting of shareholders under our amended and restated articles of association (the “**Articles**”) and the Israeli Companies Law, 5759-1999 (the “**Companies Law**”). As described further in “*Proposal 1. Re-election and Initial Election of Directors— Background*” below, our Board believes that the nominees identified in Proposal 1 possess the requisite knowledge, experience and familiarity with our Company and our industry to lead our Company forward and therefore recommends in favor of their election or re-election, as applicable.

Among our other highly qualified nominees, the Board has recommended the initial election of David Chinn to the Board. In nominating Mr. Chinn, the Board cited Mr. Chinn’s extensive experience advising companies across multiple industries on strategy, operational transformation, and organizational change, his deep expertise in the aerospace and defense sectors, and his familiarity with the Israeli technology sector, all of which would bring uniquely meaningful input to Board meeting deliberations that would not otherwise be available. Mr. Chinn’s

election would furthermore align with the Company's ongoing and accelerating strategic focus on the defense industry as a key vertical.

Proposal 2— reappointment of our independent auditors— needs to be brought for approval of our shareholders on an annual basis under the Companies Law. Our audit committee and Board believe that PwC Israel's expertise, capabilities, and qualifications are proportionate to the size, nature of activity, and scope of our operations, and appropriate for treating the risks inherent in our activities. PwC Israel is therefore well-qualified to be re-appointed as our independent auditor for the year ending December 31, 2026 and the additional period until our next annual general meeting of shareholders.

What is the quorum required to conduct business at the Meeting?

Under our Articles, a quorum is constituted when there are present, in person or by proxy, at least two shareholders who hold, in the aggregate, at least 25% of the voting rights (equivalent to 25% of the outstanding number of ordinary shares) in our Company as of the record date for the Meeting (October 9, 2026). As of the close of business on September 30, 2026, we had 88,082,710 ordinary shares, par value 0.01 New Israeli Shekels ("NIS") ("**ordinary shares**") issued and outstanding (which excludes 266,018 Treasury shares). A person holding a proxy may be deemed to be two or more shareholders for purposes of determining a quorum if such person holds the proxy of more than one shareholder. If within one-half hour after the time appointed for the Meeting, a quorum is not present, the Meeting will be adjourned to the same day, in the following week, at the same hour and at the same place. At such adjourned meeting, any two or more shareholders present in person or by proxy will constitute a quorum, regardless of the number of ordinary shares held by them.

What are the voting requirements to approve the proposals presented and how are votes counted?

The affirmative vote of the holders of a majority of the voting power represented at the Meeting in person or by proxy and voting on each proposal (or, in the case of Proposal 1, each sub-proposal) is necessary for the approval of that proposal (or sub-proposal, as applicable).

If you provide specific instructions (i.e., mark boxes), your shares will be voted as you instruct. If you are a shareholder of record and sign and return your proxy card without giving specific instructions, your shares will generally be voted in accordance with the recommendations of our Board. The proxy holders will also vote in their discretion on any other matters that are not listed on the proxy card and that properly come before the Meeting. If you are a shareholder of record and do not return your proxy card and do not otherwise vote online (at www.proxyvote.com) or via telephone (as indicated on your proxy card), your shares will not be voted.

If you hold shares beneficially in "street name", the result will be different. If you do not return the voting instruction form and do not otherwise provide voting instructions online (at www.proxyvote.com) or via telephone (as indicated on your voting instruction form), your broker may vote your shares in certain circumstances and on certain proposals. Generally, brokers may vote shares they hold for you in their own discretion on the proposal to ratify the appointment of an independent registered public accounting firm (Proposal 2) and certain other routine matters, if you do not provide them instructions on how to vote. Brokers may not, however, vote your shares in their discretion on any of the other proposals to be addressed at the Meeting.

Where brokers are prohibited from exercising discretionary authority for beneficial owners who have not provided voting instructions (commonly referred to as "broker non-votes"), but do exercise discretionary authority with respect to one or more proposals, those shares will be included in determining the presence of a quorum at the Meeting, but are not considered "present" for the purposes of voting on, and do not impact the outcome of the voting on, the subject proposal(s) for which the brokers do not vote your shares.

What shares can I vote?

Our only class of shares outstanding is our ordinary shares. Each ordinary share outstanding as of the close of business on the record date, October 9, 2026, is entitled to one vote on all items of business at the Meeting. You may vote all ordinary shares you owned at that time, which may be (a) shares held directly in your name as the shareholder of record or (b) shares held for you as beneficial owner through a broker, bank, trustee or other nominee. As of September 30, 2026, there were 88,082,710 ordinary shares issued and outstanding (which excludes 266,018

Treasury shares). The closing price of the ordinary shares on September 30, 2026, as quoted on the Nasdaq Global Select Market, was \$8.31.

How can I vote my shares without attending the Meeting?

Whether you hold shares directly as a shareholder of record or beneficially in street name, you may direct how your shares are voted without attending the Meeting. For directions on how to vote, please refer to the instructions below and those on the proxy card or voting instruction form provided to you. **In each case, your vote or voting instructions must be received by 11:59 p.m., U.S. Eastern time, on Monday, November 9, 2026 in order to be counted towards the tally of votes at the Meeting.**

- *If you are a shareholder of record, you may cast your vote by proxy as follows:*

Shareholders of record may vote by completing, signing, dating and mailing the enclosed proxy card in the accompanying pre-addressed, postage paid envelope to Broadridge, our agent for tallying the votes at the Meeting. In the alternative, a shareholder of record can vote online (at www.proxyvote.com) or via telephone, by dialing the number provided to you on the enclosed proxy card and following the instructions over the phone. If you lose or misplace your proxy card, you may instead print a copy of the proxy card from our website at www.stratasys.com or from Exhibit 99.2 to the Report of Foreign Private Issuer on Form 6-K (“**Form 6-K**”) that we furnished to the Securities and Exchange Commission (the “SEC”) on October 7, 2026, which can be located at www.sec.gov. You can submit your printed, completed, signed proxy card to our Chief Communications Officer and Vice President-Investor Relations at Yonah.Lloyd@stratasys.com. When you fill out the proxy card, please print the name in which your ordinary shares are registered. We reserve the right to require further identifying information from you in order to allow you to submit your proxy card in that manner.

- *If you are a beneficial shareholder, you may submit your voting instructions as follows:*

Beneficial owners who hold ordinary shares in “street name” can instruct their brokers, trustees or nominees how to vote by completing the enclosed voting instruction form and mailing it in the accompanying pre-addressed, postage paid envelope.

In the alternative, a beneficial owner can vote online (at www.proxyvote.com) or via telephone, by dialing the number provided to you in the enclosed voting instruction form and following the instructions over the phone. Please have the control number that appears on your physical voting instruction form ready for inputting when you vote online or via telephone.

May I attend the Meeting in person and how can I vote my shares in person at the Meeting?

Yes, the Meeting will be held at the offices of our external counsel, Meitar Law Offices, 1 Ariel Sharon Street, 36th floor, in Givatayim 5320048, Israel. If you attend the Meeting in person, shares held in your name as the shareholder of record may be voted on a ballot that we will provide to you at the meeting, provided that you bring proof of ownership of your ordinary shares (such as a copy of your share certificate or a statement showing book-entry shares) as of the record date for the meeting. Shares held beneficially in street name may be voted on a ballot only if you bring the requisite documentation, namely: (i) proof that you owned the shares in your brokerage, trustee or nominee account as of the record date (such as a brokerage account statement), and (ii) a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the Meeting, we recommend that you also submit your proxy card or voting instruction form as described above so that your vote will be counted if you later decide not to attend the Meeting.

Is the proxy statement available electronically?

Yes. This proxy statement is available on our website, at <https://investors.stratasys.com/news-events/annual-meeting-materials>. In addition, it is appended as Exhibit 99.1 to the Form 6-K that we furnished to the SEC on October 7, 2026. You can view that Form 6-K at the SEC’s website at www.sec.gov.

Can I change my vote?

If you are a shareholder of record and have submitted a proxy card, you can change your vote at any time before it is voted by sending a written and dated notice of revocation or by submitting a signed proxy bearing a later date, in either case, to Stratasys Ltd., c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717 or to our Chief Communications Officer and Vice President, Investor Relations at Yonah.Lloyd@stratasys.com. Any such revocation or later proxy must be received by 11:59 p.m., U.S. Eastern time, on Monday, November 9, 2026, for it to be effective. If you initially voted online or via telephone, you can follow the same instructions as you did initially

in order to submit your revised vote. You may also revoke your proxy by attending the Meeting and voting in person. Attendance at the Meeting will not cause your previously granted proxy to be revoked, unless you vote again.

If your shares are held in street name or by a broker, trustee or nominee, you may change your vote by following the instructions provided to you by your broker, trustee or nominee. If you have obtained a legal proxy from your broker, trustee or nominee giving you the right to vote your shares, you can change your vote by attending the Meeting and voting in person.

What happens if additional matters are presented at the Meeting?

Other than the proposals described in this proxy statement, we are not aware of any other business to be acted upon at the Meeting. If you sign and submit a proxy card, the persons named as proxy holders, Mr. Eitan Zamir, Ms. Vered Ben-Jacob, Mr. J. David Chertok and Mr. Jonathan M. Nathan, will have the discretion to vote your shares on any additional matters properly presented for a vote at the Meeting in accordance with their best judgment. It is the intent of the chairman of the Meeting to allow the presentation of only those matters set forth in the above-listed agenda, for which advance notice was properly provided to the Company's shareholders. Any other substantive agenda item initially raised at the Meeting would be deemed by the chairman to be out of order.

Who will count the votes?

A representative of Stratasys, its outside counsel or of an independent third-party will act as the inspector of election to tabulate the votes cast at the Meeting.

Who will pay the costs of soliciting votes for the Meeting?

We are making this solicitation and will pay the entire cost of preparing, printing, mailing and distributing these proxy materials and soliciting votes with respect to the Meeting. In addition to the mailing of these proxy materials, the solicitation of proxies may be made in person, by telephone or by electronic communication by certain of our directors, officers and other employees, who will not receive any additional compensation for such activities. We will also reimburse brokerage firms, banks, and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in forwarding proxy and solicitation materials to the beneficial owners of our ordinary shares.

Where can I find the voting results of the Meeting?

We expect to announce preliminary voting results at the Meeting and publish final results in a Form 6-K to be furnished to the SEC after our Meeting. You can access that Form 6-K, and all of our other reports filed with or furnished to the SEC, on our website, www.stratasys.com, or at the SEC's website, www.sec.gov.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

The following table sets forth the number of ordinary shares beneficially owned, directly or indirectly, by each person known by us to be the owner of more than 5% of our outstanding ordinary shares, as of September 30, 2026, unless otherwise noted.

The number and percentage of ordinary shares beneficially owned is determined in accordance with Rule 13d-3 of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), and is not necessarily indicative of beneficial ownership for any other purpose. Information concerning shareholders who beneficially own more than 5% of our outstanding ordinary shares is based on periodic public filings made by such shareholders (including, if applicable, the most recent reports filed by institutional investment managers on Form 13F). Ordinary shares that a person has a right to acquire within 60 days after September 30, 2026 (or such other date indicated below) are deemed outstanding for purposes of computing the percentage ownership of that person, but are not deemed outstanding for purposes of computing the percentage ownership of any other person. We have based our calculations of the percentage ownership on 88,082,710 ordinary shares issued and outstanding (which excludes 266,018 Treasury shares, which are not deemed outstanding) as of September 30, 2026.

Item 6B of our 2025 Annual Report contains information regarding compensation paid to our directors and to our five highest-paid office holders in 2025. Item 6C of our 2025 Annual Report contains additional information regarding our Board, its committees and our corporate governance practices. Please also see “*Proposal 1 Re-Election and Initial Election of Directors — Background — Board and Committee Independence*” below.

PROPOSAL 1: RE-ELECTION AND INITIAL ELECTION OF DIRECTORS

Background

Size and Structure of Board

Article 75.1 of our Amended Articles provides that the number of directors of our Company shall be determined from time to time by our Board (subject to a certain minimum and maximum Board size set by the Amended Articles). On September 24, 2026, pursuant to its nomination of the below-listed individuals for initial election or re-election at the Meeting, our Board effectively confirmed the number of directors constituting the Board as eight (8). Back in May 2016, following our 2016 annual general meeting of shareholders, we elected to be governed by an exemption under the Companies Regulations—Relief for Companies whose Securities are Listed for Trading on a Foreign Exchange 2000-5760 that allows us to “opt out” from appointing external directors and from complying with the Companies Law requirements related to the composition of the audit committee and compensation committee of our Board. Our eligibility for that exemption is subject to certain conditions, with which we comply. Since the time of that election, each of our directors is elected annually, at our annual general meeting of shareholders, for a one-year term.

Current Board Nominees

Our Board has nominated each of Mr. Dov Ofer (the Chairman of the Board), Mr. Yuval Cohen, Mr. S. Scott Crump, Mr. John J. Our audit committee follows pre-approval policies and procedures for the engagement of our independent auditors to perform certain audit and non-audit services. Pursuant to those policies and procedures, which are designed to assure that such engagement does not impair the independence of our auditors, the audit committee pre-approves annually a catalog of specific audit and non-audit services in the categories of audit services, audit-related services and tax services that may be performed by our independent auditors.
