The Joint Chiropractic Earns Top Spot on Forbes' 2022 America's Best Small Companies List

SCOTTSDALE, Ariz., Nov. 15, 2021 /PRNewswire/ -- The Joint Corp. (NASDAQ: JYNT), the nation's largest provider of chiropractic care through *The Joint Chiropractic*® network, is number one on the **Forbes 2022 America's Best Small Companies** list. The Joint moved up 12 spots from last year's ranking, taking the top position out of the 100 companies listed.

"We are honored to be ranked number one on *Forbes'* esteemed list of American's Best Small Companies recognizing the strong performance of The Joint Chiropractic," said Peter D. Holt, president and CEO of The Joint Corp. "As a mission-driven organization, our skill in serving patients and delivering quality chiropractic care is the core of our franchise system. This recognition reflects the dedication of our doctors, wellness coordinators, franchisees and support teams, who work tirelessly to educate and promote the efficacy of chiropractic care. We look forward to achieving our near-term development goal of 1,000 open clinics by the end of 2023."

Forbes' list of America's Best Small-Cap Companies was compiled using data from FactSet. It screened more than 1,000 companies with a market value between \$300 million and \$2 billion, to find 509 companies that also had positive sales growth over the past 12 months and a share price of at least \$5. Financial institutions, REITs, utilities, and limited partnerships were excluded, as were companies public for less than one year. The top 100 rankings is based on earnings growth, sales growth, return on equity and total stock return for the latest 12 months available and over the last five years. More weight was given to the

latest year's data in the ranking.

The Joint Chiropractic is the nation's largest network of non-insurance, private pay chiropractic healthcare clinics in the United States. Millions of Americans have found relief from pain due to the benefits of chiropractic's natural, drug-free approach to healthcare.
