About Heathrow Airport (LHR):

Heathrow is the UK's international gateway, the largest airport in Europe and the most connected megahub in the world – connecting to 239 destinations in 89 countries. The airport welcomes over 200,000 passengers on roughly 1,300 flights each day, and serves as a Britain's hub for trade, tourism and investment. Approximately 90,000 colleagues work at Heathrow – the airport directly employs about 10% of them, with the rest working for Team Heathrow partners including airlines, ground handlers and retailers.
