Baudax Bio Announces Closing of \$25 Million Public Offering of Securities

MALVERN, Pa., March 26, 2020 (GLOBE NEWSWIRE) -- Baudax Bio, Inc. ("Baudax" or the "Company") (Nasdaq: BXRX), a pharmaceutical company focused on therapeutics for acute care settings, today announced the closing of the previously announced public offering, reflective of 7,692,308 shares of its common stock, Series A Warrants to purchase 7,692,308 shares of common stock and Series B Warrants to purchase 7,692,308 shares of common stock, at an exercise price of \$4.59 per share for Series A Warrants and at an exercise price of \$3.25 per share for Series B Warrants. Each share of common stock was sold together with one Series A warrant and one Series B warrant for a combined price of \$3.25 per share, for gross proceeds of \$25 million, not including any future proceeds from the exercise of the Series A warrants and Series B warrants and before deducting the underwriting discounts and commissions and offering expenses. The shares of common stock, Series A warrants and Series B warrants were purchased together but were issued separately and are immediately separable upon issuance.

The net proceeds to Baudax from this offering were approximately \$23.1 million, after deducting underwriting discounts and commissions and estimated offering expenses payable by Baudax. Baudax intends to use the net proceeds of the proposed offering for the launch and the commercialization of ANJESO[™], pipeline development activities, and general corporate purposes.

JMP Securities LLC and Oppenheimer & Co. Inc. acted as joint book-running managers for the offering.

The offering was made by Baudax pursuant to an effective registration statement on Form S-3 previously filed with the Securities and Exchange Commission (the "SEC") on December 6, 2019, and declared effective by the SEC on December 16, 2019, and a related preliminary prospectus supplement and accompanying prospectus filed on March 24, 2020. A final prospectus supplement and accompanying prospectus related to the offering has been filed with the SEC and is available on the website of the SEC at www.sec.gov. A copy of the final prospectus may also be obtained from JMP Securities LLC at 600 Montgomery Street, Suite 1100, San Francisco, CA 94111, at Attention: Prospectus Department, or by calling (415) 835-8985, or by emailing syndicate@jmpsecurities.com or from Oppenheimer & Co. About Baudax Bio, Inc.

Baudax Bio is a specialty pharmaceutical company focused on therapeutics for acute care settings. The Company's first commercial product, ANJESO™, had its New Drug Application approved by FDA on February 20, 2020 for the management of moderate to severe pain, alone or in combination with other non-NSAID analgesics. ANJESO is a once daily IV NSAID with preferential Cox-2 activity, which has successfully completed three Phase III clinical trials, including two pivotal efficacy trials, a large double-blind Phase III safety trial and other studies for the management of moderate to severe pain. As a non-opioid, IV meloxicam has the potential to overcome many of the issues associated with commonly prescribed opioid therapeutics, including respiratory depression, constipation, excessive nausea and vomiting, as well as having no addictive potential while maintaining meaningful analgesic effects for relief of pain.
