ZK International Group Co., Ltd. Supplies Piping Infrastructure to New Hospital Designated for Coronavirus Patients in Wenzhou City

WENZHOU, China, Feb. 11, 2020 /PRNewswire/ -- ZK International Group Co., Ltd. (ZKIN) ("ZK International" or the "Company"), a designer, engineer, manufacturer, and supplier of patented high-performance stainless steel and carbon steel pipe products primarily used for water and gas supplies, today announced that it supplies stainless steel pipe and fitting products for a new hospital (the "Hospital") currently under construction in Wenzhou City in response to the recent outbreak of novel coronavirus (2019-nCoV) (the "Coronavirus").

Located at the Oujiangkou campus of the 2nd Affiliated Hospital of Wenzhou Medical University, the Hospital is designated by the Wenzhou local authority to officially treat patients with pneumonia infected by the Coronavirus. The Hospital readied its 1st batch of 100 beds for patients on February 6, 2020, after just seven days from the decision to start construction and is expected to be completed by the end of February with a full capacity of 800 beds.

Jiangcong Huang, Chairman and Chief Executive Officer of ZK International, commented, "As the Coronavirus is causing a public health emergency across many cities in China, including Wenzhou City where ZK International calls home, we are proud to contribute to the construction of the Hospital. ZK has been partnering with government at various levels to build healthy and safe piping infrastructure for the past decade and will continue to make sure our piping infrastructure transport things as clean and safe as it should be." The Chairman continued, "The use of ZK's patented high-performance stainless steel and carbon steel pipe by the New Hospital during this epidemic is a testament to the Company's quality products, its reputation, and its manufacturing capabilities. We are poised to bring clean water to China and we stand ready to help our people and Country during this difficult time."
