ShotSpotter, Inc. Announces Pricing of Initial Public Offering

NEWARK, CA -- (Marketwired) -- 06/07/17 -- [ShotSpotter, Inc.](#) ("ShotSpotter"), a gunshot detection solutions company, announced today that it has priced its initial public offering of 2,800,000 shares of its common stock at a public offering price of \$11.00 per share, for an aggregate offering amount of \$30.8 million, before deducting underwriting discounts and commissions and offering expenses payable by ShotSpotter. In addition, ShotSpotter has granted the underwriters a 30-day option to purchase up to 420,000 additional shares of common stock at the public offering price, less underwriting discounts and commissions, to cover over-allotments, if any. All of the common stock is being offered by ShotSpotter.

The common stock will begin trading on The NASDAQ Capital Market on June 7, 2017 under the trading symbol "SSTI." The offering is expected to close on June 12, 2017, subject to customary closing conditions.

Roth Capital Partners is acting as sole book-running manager, Northland Capital Markets is acting as co-lead manager, and Imperial Capital is acting as co-manager for the offering.

A registration statement relating to the shares of common stock has been filed with the U.S. Securities and Exchange Commission (the "SEC") and was declared effective on June 6, 2017. A copy of the registration statement can be accessed by visiting the SEC website at www.sec.gov. The offering of these shares of common stock is being made only by means of a final prospectus forming part of the effective registration statement relating to these shares of common stock. The final prospectus relating to the offering will be filed with the SEC and will be available on the SEC website at www.sec.gov. In addition, copies of the final prospectus, when available, may be obtained by contacting Roth Capital Partners, LLC, 888 San Clemente Drive, Suite 400, Newport Beach, CA 92660, (800) 678-9147.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of shares of ShotSpotter's common stock in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of such state or jurisdiction.
