

ShotSpotter Reports Second Quarter 2021 Financial Results

Revenues Increase 30% Year-over-Year to \$14.6 Million

NEWARK, Calif., Aug. 10, 2021 (GLOBE NEWSWIRE) -- ShotSpotter, Inc. (NASDAQ: SSTI), a leader in precision policing technology solutions that enable law enforcement to more effectively respond to, investigate and deter crime, today reported financial results for the second quarter ended June 30, 2021.

Second Quarter 2021 Financial and Operational Highlights

- Revenues increased 30% to \$14.6 million from \$11.3 million for the second quarter of 2020.
- Gross profit increased 20% to \$8.3 million (57% of revenues) from \$6.9 million (61% of revenues) for the second quarter of 2020.
- Net loss of \$(250,000) compared to net income of \$866,000 for the second quarter of 2020.
- Adjusted EBITDA¹ was \$2.9 million, or 20% of revenues, compared to \$3.4 million, or 30% of revenues, for the second quarter of 2020.
- Went "live" with ShotSpotter Respond in two new cities, one new security location and also had three expansions in current customer cities during the quarter.
- Maintained a strong balance sheet with \$15.6 million in cash and cash equivalents and had \$20.0 million available on the Company's line of credit at the end of the quarter.
- Repurchased 12,585 shares for a total of approximately \$0.5 million.
- Reiterated full year 2021 revenue guidance of \$60 million to \$61 million, representing year-over-year growth of 32%.
 - ¹See the section below titled "Non-GAAP Financial Measures" for more information about Adjusted EBITDA, and their reconciliation to GAAP net (loss) income.

Management Commentary

"During the second quarter, we again delivered 30% year-over-year revenue growth while generating strong gross profit and adjusted EBITDA," said ShotSpotter CEO Ralph Clark. "Our financial performance was driven by the addition of two new Respond cities and three Respond city expansions in the second quarter coupled with no attrition. Additionally, initial feedback and progress on our Q3 deployments are encouraging with staffing of new city and expansions already well underway. We believe our ongoing success landing new customers and expanding with existing customers demonstrates the effectiveness of our end-to-end Precision Policing Platform and the positive impact it has on reducing gun violence and keeping communities safe.

"Our continued forward momentum gives us confidence to reiterate our outlook for 2021, which includes more than 30% revenue growth and net income profitability in 2021. Our positive outlook reflects the improving demand environment for our core ShotSpotter

Respond solution, including its strong retention, increased upsell of our ShotSpotter Connect offering and good visibility into second half go-live cadence of ShotSpotter Respond, Connect and now Investigate."

Second Quarter 2021 Financial Results

Revenues for the second quarter of 2021 increased 30% to \$14.6 million from \$11.3 million for the same period in 2020. The increase in revenues reflects an increase in new live miles and customer expansions as well as contribution from LEEDS, which was acquired in the fourth guarter of 2020.

Gross profit for the second quarter of 2021 was \$8.3 million (57% of revenues), compared to \$6.9 million (61% of revenues) for the same period in 2020. The decrease in gross profit margin was primarily due to the lower margin from LEEDS professional services.

Total operating expenses for the second quarter of 2021 were \$8.5 million, compared to \$6.0 million for the same period in 2020. The increase in operating expenses was primarily due to increased legal fees, personnel-related costs as well as incremental expenses associated with LEEDS.

Net loss totaled \$(250,000), or \$(0.02) per basic and diluted share (based on 11.6 million basic and diluted weighted average shares outstanding), compared to net income of \$866,000, or \$0.08 per basic share and \$0.07 per diluted share (based on 11.4 million basic and 11.7 million diluted weighted average shares outstanding), for the same period in 2020.

Adjusted EBITDA for the second quarter of 2021 totaled \$2.9 million, compared to \$3.3 million in the same period last year.

Financial Outlook

The company reiterated its full year 2021 revenue guidance of \$60 million to \$61 million, representing 32% year-over-year growth at the midpoint of the guidance range. The company expects to be GAAP profitable for the full year 2021.

The company's financial outlook statements are based on current expectations. The preceding statements are forward-looking, and actual results could differ materially depending on market conditions and the factors set forth under "Safe Harbor Statement" below.

Conference Call

ShotSpotter will hold a conference call today, August 10, 2021 at 4:30 p.m. Eastern Time (1:30 p.m. Pacific Time) to discuss these results and provide an update on business conditions.

ShotSpotter management will host the presentation, followed by a question and answer period.

U.S. dial-in: 1-855-327-6838

International dial-in: 1-604-235-2082

Conference ID: 10015933

The conference call will be broadcast simultaneously and is available for replay in the investor section of the company's website at www.shotspotter.com.

Please call the conference telephone number 5-10 minutes prior to the start time. An operator will register your name and organization. If you have any difficulty connecting with the conference call, please contact ShotSpotter's investor relations team at 1-949-574-3860.

A replay of the call will be available after 7:30 p.m. Eastern Time through September 10, 2021.

U.S. replay dial-in: 1-844-512-2921

International replay dial-in: 1-412-317-6671

Replay ID: 10015933

Non-GAAP Financial Measures

Adjusted net (loss) income: Adjusted net (loss) income, a non-GAAP financial measure, represents the company's net income or loss before acquisition related expenses.

Adjusted EBITDA: Adjusted EBITDA, a non-GAAP financial measure, represents the company's net income or loss before interest (income) expense, income taxes, depreciation, amortization and impairment, stock-based compensation expense and acquisition related expenses. Adjusted EBITDA is a measure used by management internally to understand and evaluate the company's core operating performance and trends across accounting periods and in connection with developing future operating plans, making strategic decisions regarding the allocation of capital and considering initiatives focused on cultivating new markets for our solutions. In particular, the exclusion of these expenses in calculating adjusted EBITDA facilitates comparisons of the company's operating performance on a period-to-period basis.

ShotSpotter believes adjusted net (loss) income and adjusted EBITDA also provide useful information to investors and others in understanding and evaluating our operating results in the same manner as our management and board of directors. For example, ShotSpotter adjusts EBITDA for stock-based compensation expense and acquisition related expenses because such expenses often vary for reasons that are generally unrelated to financial and operational performance in any particular period. Stock-based compensation is utilized by ShotSpotter to attract and retain employees with a goal of long-term retention and the alignment of employee interests with those of the company and its stockholders, rather than to address operational performance for any particular period based financial performance measures, in particular net income or loss, and our other GAAP financial results.

Safe Harbor Statement

This press release contains "forward-looking statements" within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995, including but not limited to statements regarding revenue and GAAP profitability guidance for full year 2021, expected changes in gross margin, future deployments of ShotSpotter Respond and ShotSpotter Connect, the Company's expectations for demand for ShotSpotter Investigate and the funding environment for the company's products. Words such as "expect," "anticipate," "should," "believe," "target," "project," "goals," "estimate," "potential," "predict," "may," "will," "could," "intend," variations of these terms or the negative of these terms and similar expressions are intended to identify these forward-looking statements. Forward-looking statements are subject to a number of risks and uncertainties, many of which involve factors or circumstances that are beyond the company's control. The company's actual results could differ materially from those stated or implied in forward-looking statements due to a number of factors, including but not limited to: the company's ability to successfully negotiate and execute contracts with new and existing customers in a timely manner, if at all; the company's ability to address the business and other impacts and uncertainties

associated with the COVID-19 pandemic; the company's ability to maintain and increase sales, including sales of the company's newer product lines; the availability of funding for the company's customers to purchase the company's solutions; the complexity, expense and time associated with contracting with government entities; the company's ability to maintain and expand coverage of existing public safety customer accounts and further penetrate the public safety market; the company's ability to sell its solutions into international and other new markets; the lengthy sales cycle for the company's solutions; changes in federal funding available to support local law enforcement; the company's ability to deploy and deliver its solutions; and the company's ability to maintain and enhance its brand, as well as other risk factors included in the company's most recent annual report on Form 10-K and quarterly report on Form 10-Q and other SEC filings. These forward-looking statements are made as of the date of this press release and are based on current expectations, estimates, forecasts and projections as well as the beliefs and assumptions of management. Except as required by law, the company undertakes no duty or obligation to update any forward-looking statements contained in this release as a result of new information, future events or changes in its expectations.

About ShotSpotter, Inc.

ShotSpotter (NASDAQ: SSTI) is a leader in precision policing technology solutions that enable law enforcement to more effectively respond to, investigate and deter crime. The company's products are trusted by more than 100 U.S. cities to help make their communities safer. The platform includes its flagship product, ShotSpotter Respond™, the leading gunshot detection, location, and forensic system, ShotSpotter Connect™, patrol management software to dynamically direct patrol resources to areas of greatest risk and more effectively deter crime, and ShotSpotter Investigate™, an investigative case management solution that helps detectives connect the dots and share information more effectively to improve case clearance rates. ShotSpotter also serves the corporate and college security markets and has been designated a Great Place to Work® Company.
