“Stipe embodies the ‘fighting spirit’: he’s more than the UFC heavyweight champion -- he’s also a professional firefighter keeping his community safe, and always giving back to his hometown of Cleveland,” said Ann Legan, vice president of marketing for Casa Modelo. “We’re proud of this partnership and look forward to working with Stipe as our brand ambassador, celebrating the fighting spirit that unites us all.”

Modelo and Miocic’s partnership will include digital and social content, as well as a TV spot later this year.

With a win on Jan. 20, Miocic would break the UFC’s record for most successful heavyweight title defenses and become the most successful heavyweight of all time.

“For me, the fighting spirit goes beyond the Octagon. It’s a way of life,” said Miocic. “Modelo Especial is about celebrating that fighting spirit, and our partnership is about inspiring people to keep pushing forward and fighting for what they want, because at the end of the day it’s that grind-it-out attitude that’s going to take you the furthest. Our partnership so far has been fantastic and is such a great, natural fit for me.”

About Casa Modelo®

Born in 1925 in the small town of Tacuba, Mexico, Modelo has been brewing distinctive high-quality beer ever since, including Modelo Especial®, Modelo Negra(TM), Modelo Chelada Especial(TM) and most recently, Modelo Chelada Tamarindo Picante(TM). Modelo Especial

is a golden, full-flavored Pilsner-style Lager with a clean, crisp finish whose original recipe was first brewed under the vision to create a 'model' beer. As the #2 imported beer in the U.S., more than 83MM cases of Modelo Especial were sold in 2016. Modelo Negra is a Munich Dunkel-style Lager brewed with slow-roasted caramel malts for a rich, smooth taste. The medium-body and unique flavor profile of Modelo Negra lends itself perfectly to pair well with food. Modelo Chelada Especial is a michelada-style beer made with the refreshing flavors of tomato, salt and lime. Made with authentic ingredients, Modelo Chelada Especial delivers the real michelada experience in a ready-to-drink package. In 2017, a new flavor was introduced, Modelo Chelada Tamarindo Picante, a tomato-based michelada-style beer with the unique and authentic flavor combination of sweet tamarind and spicy chipotle peppers. The Modelo family of beers are exclusively brewed, imported and marketed for the U.S. by Constellations Brands.
