Ekso Bionics to Present at the 2016 Gateway Conference

RICHMOND, Calif., Aug. 29, 2016 (GLOBE NEWSWIRE) -- Ekso Bionics Holdings, Inc. (NASDAQ:EKSO), a robotic exoskeleton company, today announced the company plans to participate in the 5th Annual Gateway Conference hosted by the Liolios Group in San Francisco, CA.

Ekso Bionics' management is scheduled to present Thursday, September 8th at 9:30AM PT. Interested parties can access the live webcast on the investors section of the company's website at www.eksobionics.com. The webcast replay will be available following the conclusion of the presentation.

About Ekso Bionics®

Ekso Bionics is a leading developer of exoskeleton solutions that amplify human potential by supporting or enhancing strength, endurance and mobility across medical, industrial and defense applications. Founded in 2005, the company continues to build upon its unparalleled expertise to design some of the most cutting-edge, innovative wearable robots available on the market. Ekso Bionics is the only exoskeleton company to offer technologies that range from helping those with paralysis to stand up and walk, to enhancing human capabilities on job sites across the globe, to providing research for the advancement of R&D projects intended to benefit U.S. defense capabilities. The company is headquartered in the Bay Area and is listed on the Nasdaq Capital Market under the symbol EKSO. For more information, visit: www.eksobionics.com.
