

Ekso Bionics Reports Certain Preliminary Fourth Quarter 2024 Financial Results

Expects Record Revenues for the Fourth Quarter of 2024

SAN RAFAEL, Calif., Jan. 13, 2025 (GLOBE NEWSWIRE) -- Ekso Bionics Holdings, Inc. (Nasdaq: EKSO) (the "Company"), an industry leader in exoskeleton technology for medical and industrial use, today announced preliminary top line financial results for the quarter ended December 31, 2024.

Total revenue for the fourth quarter of 2024 is estimated to be in the range of \$5.0 million to \$5.1 million, which is expected to be a Company record, compared to total revenue of \$4.8 million in the fourth quarter of 2023.

"We made significant progress in 2024, highlighted by initial CMS reimbursement for our Ekso Indego Personal," said Scott Davis, the Company's Chief Executive Officer. "With expanded access of this transformative device to Medicare-covered patients, we remain focused on building upon our growing CMS claim pipeline. At the same time, we continue to bolster demand for our flagship EksoNR device as we execute on our long-term growth strategy."

Estimated cash as of December 31, 2024 was \$6.5 million, compared to cash of \$8.6 million at December 31, 2023. For the fourth quarter of 2024, the Company used an estimated \$1.5 million of net cash in operations, compared to \$1.6 million for the same period in 2023.

The estimated, projected or anticipated financial results, financial condition or other financial information discussed in this press release are based on management's preliminary unaudited analysis of financial results for the quarter ended December 31, 2024. As of the date of this press release, the Company has not completed its financial statement reporting process for the quarter ended December 31, 2024, and the Company's independent registered accounting firm has not audited the preliminary financial data discussed in this press release. During the course of the Company's quarter-end closing procedures and review process, including the finalization of its financial statements for and as of the quarter ended December 31, 2024, the Company may identify items that would require it to make adjustments, which may be material to the information presented above. As a result, the estimates above constitute forward-looking information and are subject to risks and uncertainties, including possible adjustments to preliminary results. The Company expects to report complete fourth quarter and full year 2024 financial results during the first week of March 2025.

About Ekso Bionics®

Ekso Bionics® is a leading developer of exoskeleton solutions that amplify human potential by supporting or enhancing strength, endurance and mobility across medical and industrial applications. Founded in 2005, the Company continues to build upon its industry-leading expertise to design some of the most cutting-edge, innovative wearable robots available on

the market. Ekso Bionics is the only known exoskeleton company to offer technologies that range from helping those with paralysis to stand up and walk, to enhancing human capabilities on job sites across the globe. The Company is headquartered in the San Francisco Bay Area and is listed on the Nasdaq Capital Market under the symbol "EKSO." Forward-Looking Statements

Any statements contained in this press release that do not describe historical facts may constitute forward-looking statements. Forward-looking statements may include, without limitation, statements regarding the estimated financial results, the Company's growing CMS claim pipeline and the Company's ability to bolster demand for its EksoNR devices and execute on its long-term strategy. Such forward-looking statements are not meant to predict or guarantee actual results, performance, events or circumstances and may not be realized because they are based upon the Company's current projections, plans, objectives, beliefs, expectations, estimates and assumptions and are subject to a number of risks and uncertainties and other influences, many of which the Company has no control over. Actual results and the timing of certain events and circumstances may differ materially from those described by the forward-looking statements as a result of these risks and uncertainties. Factors that may influence or contribute to the inaccuracy of the forward-looking statements or cause actual results to differ materially from expected or desired results may include, without limitation, changes resulting from the Company's finalization of its financial statements for and as of the quarter ended December 31, 2024, information or new changes in facts or circumstances that may occur prior to the filing of the Company's Annual Report on Form 10-K for the year ended December 31, 2024 that are required to be included in such annual report, the Company's inability to obtain adequate financing to fund and grow the Company's operations and necessary to develop or enhance the Company's technology, the Company's inability to successfully collaborate with its network of existing neuro-rehabilitation facilities, physicians, and DMEs in seeking CMS reimbursements, the Company's inability to obtain future reimbursements from CMS in a timely manner and at the expected reimbursement levels, the Company's inability to obtain insurance coverage beyond CMS, the Company's inability to obtain additional indications of use for its devices, the significant length of time and resources associated with the development of the Company's products, the Company's failure to achieve broad market acceptance of the Company's products, the failure of the Company's sales and marketing efforts or of partners to market the Company's products effectively, adverse results in future clinical studies of the Company's medical device products, the failure of the Company to obtain or maintain patent protection for the Company's technology, the failure of the Company to obtain or maintain regulatory approval to market the Company's medical devices, lack of product diversification, existing or increased competition, disruptions in the Company's supply chain, and the Company's failure to implement the Company's business plans or strategies. These and other factors are identified and described in more detail in the Company's filings with the SEC, including the Company's most recently filed Annual Report on Form 10-K and its subsequently filed Quarterly Reports on Form 10-Q. To learn more about the Company please visit the Company's website at www.eksobionics.com or refer to the Company's X page at @EksoBionics. Any forward-looking statements made in this press release speak only as of the date of this press release. The Company does not undertake to update these forward-looking statements, except as required by law.
