Two Award-Winning Programs, One Ultra-Rewarding Partnership

Since 2017, Wyndham Rewards and Caesars Rewards have partnered together to bring unforgettable travel experiences and industry-leading perks to everyday travelers across the globe. Recognized by readers of USA Today as the #1 hotel rewards program and #1 gaming rewards program respectively, the two programs combined create one of the richest partnerships in travel:

- **Status Match**

Through status match, Platinum and Diamond members of both programs may match to the corresponding level of their non-primary program – Platinum to Platinum, Diamond to Diamond – while Caesars Rewards Seven Stars members may match to Wyndham Rewards Diamond. For Wyndham Rewards members, this means unlocking perks like free parking, early check-in and no resort fees when staying at Caesars Rewards destinations. For Caesars Rewards members staying with Wyndham, it means perks like free Wi-Fi, late checkout, a preferred room, welcome amenities and more.

- **1:1 Point Transfer**

Members can freely transfer rewards points between both programs at 1:1, and through the end of the year, members may transfer up to 100,000 points annually. Transferring 100,000 Wyndham Rewards points to Caesars Rewards equates to \$1,000 to go toward show tickets, meals and hotel expenses or \$500 in gaming credits. Meanwhile, transferring 100,000 Caesars Reward credits to Wyndham unlocks up to three nights (90,000 points) at Wyndham's all-inclusive and luxury resorts or as many as 13 nights (97,500 points) at thousands of value and mid-priced hotels around the world.

"Caesars Rewards is the gold standard when it comes to gaming and entertainment loyalty programs," said Megan Rodriguez, SVP of Loyalty and CRM at Caesars Entertainment. "Our partnership with Wyndham only serves to further elevate our program, offering unmatched access and rewards across one of the world's largest travel portfolios while ensuring our members receive the status and recognition they deserve, no matter where their travels may

take them."
