Airgain® Reports Granting of Inducement Awards Under Nasdaq Listing Rule 5635(c) (4)

SAN DIEGO--(BUSINESS WIRE)-- [Airgain, Inc. \(NASDAQ: AIRG\)](#), a leading provider of advanced wireless connectivity technologies and systems used to enable high performance networking across a broad range of devices and markets, including consumer, enterprise, and automotive, today announced that it has granted inducement awards to Michael Elbaz, the Company's new Chief Financial Officer, whose appointment was announced today.

In connection with his joining Airgain, Mr. Elbaz received inducement awards under Airgain's 2021 Employment Inducement Incentive Award Plan (the "Inducement Plan"), which provides for the granting of equity awards to new employees of Airgain as an inducement to join the company. Effective on October 17, 2022, Mr. Elbaz was granted inducement awards consisting of (1) options to purchase an aggregate of 86,978 shares of Airgain common stock, 17,448 "target" performance stock units ("PSUs"), and 46,974 restricted stock units ("RSUs"). The options have a 10-year term and an exercise price equal to \$7.11, the fair market value of Airgain common stock on the date of grant. The options vest over a four-year period, with 25% of the options vesting on the first anniversary of the his start date, and the rest vesting in equal monthly installments thereafter and are subject to Mr. Elbaz's continued service with the Company through the applicable vesting date. Up to 150% of the target PSUs will be eligible to vest based on both stock price appreciation and revenue objectives over a performance period ending on March 31, 2025, subject to certain service-based vesting requirements. Each RSU represents a contingent right to receive one share of the Company's common stock and there is no exercise price associated with the RSUs granted hereunder. The RSUs vest in four substantially equal installments on each of November 15, 2023, 2024, 2025, and 2026, subject to Mr. Elbaz's continued services with the Company.

In addition, Mr. Elbaz will also be eligible to receive a one-time sign-on bonus, paid in the form of fully vested shares of Airgain common stock, in the amount equal to \$220,000 less the annual bonus payable to him for 2022, which shares will be issued at the time annual bonuses for 2022 are paid and will be granted under the Inducement Plan (the "Sign-On Bonus Shares"), subject to his continued services with the Company through the date of payment.

The awards were approved by Airgain's Board of Directors, including a majority of the independent directors, as required by Nasdaq Rule 5635(c)(4), and are being granted as an inducement material to Mr. Elbaz entering into employment with Airgain in accordance with Nasdaq Rule 5635(c)(4).
