Shane McAnally, Singer, Songwriter, Producer to Host Exclusive New Series on SiriusXM's Volume Channel

'Songville' to debut on April 18 with special guest Kacey Musgraves

NEW YORK, April 12, 2018 /PRNewswire/ -- SiriusXM announced today that **Shane McAnally**, multiple GRAMMY Award-winning country music singer, songwriter and producer, will host an exclusive new series, *Songville*, on SiriusXM's Volume channel.

On *Songville*, McAnally will sit down with his artist friends and collaborators to explore the relationships between songs and lyrics, and finding the balance that fits the true voice of the artist. This new monthly series will feature conversations with artists who McAnally has worked with including **Kelly Clarkson** and **Florida Georgia Line**. *Songville*'s premiere episode will feature **Kacey Musgraves** talking with McAnally about writing the hit song "Mama's Broken Heart" for **Miranda Lambert**.

Songville will debut on **April 18 at 7 pm ET / 4 pm PT** on SiriusXM's Volume channel 106, home of talk-radio that is all about the world of music and its fans. The program will then repeat several times throughout the month of April and will be available to subscribers on demand.

McAnally is a multiple CMA, ACM and GRAMMY Award-winning singer, songwriter and producer for mega-artists such as Kelly Clarkson, Luke Bryan, Reba McEntire, Lady Antebellum, Keith Urban and Kenny Chesney. He has written and/or produced more than 36 No.1 songs including the 4x platinum hit "Body Like a Back Road," which broke the record for the longest reigning No.1 on *Billboard's* Hot Country Songs chart. He is **nominated for five Academy of Country Music Awards 2018—telecast live on April 15**—including Songwriter of the Year, Song of the Year ("Body Like a Back Road"), Song of the Year ("Drinkin' Problem"), Single of the Year ("Drinkin' Problem") and Album of the Year (Old Dominion's "Happy Endings").

"Getting to sit down and have open conversation with artists, who are collaborators and friends, and break open the songwriting process inspires me and makes me even more proud to be a part of the songwriting community," said Shane McAnally. "With SiriusXM's *Songville*, we hope to share some of this love and pride with our fans."

"When you hear *Songville*, you instantly understand why Shane is so successful," said Roger Coletti, Executive Producer of SiriusXM's Volume channel. "His conversations with artists are like the songs he writes; they are honest, emotional and timeless. He truly knows how to bring out the best in an artist and a song, and his conversations on *Songville* are no different."

SiriusXM subscribers can listen to Volume and *Songville* on channel 106, and those with streaming access can listen online, on-the-go with the SiriusXM mobile app and at home on a wide variety of connected devices including smart TVs, Amazon Alexa devices, Apple TV, PlayStation, Roku, Sonos speakers and more. Go to www.SiriusXM.com/AtHome to learn more.

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to,

statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract and retain subscribers, which is uncertain; interference to our service from wireless operations; consumer protection laws and their enforcement; unfavorable outcomes of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; the security of the personal information about our customers; existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; our failure to realize benefits of acquisitions or other strategic initiatives; rapid technological and industry changes; failure of third parties to perform; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock; impairment of our business by third-party intellectual property rights; and changes to our dividend policies which could occur at any time. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2016, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
