Quantum to Participate at the Needham Technology, Media & Consumer Conference on May 14

CENTENNIAL, Colo.--(BUSINESS WIRE)-- Quantum Corporation (NASDAQ: QMCO), today announced that Hugues Meyrath, CEO, and William White, CFO, will participate at the Needham Technology, Media & Consumer Conference, which will be held as a virtual event on May 14, 2026. Management will be available to host scheduled conference calls with participating investors throughout the day.

Portfolio managers and analysts who would like to request a meeting with management should contact their Needham & Co. representative.

About Quantum

Quantum delivers end-to-end data management solutions designed for the AI era. With over four decades of experience, our data platform has allowed customers to extract the maximum value from their unique, unstructured data. From high-performance ingest that powers AI applications and demanding data-intensive workloads, to massive, durable data lakes to fuel AI models, Quantum delivers the most comprehensive and cost-efficient solutions. Leading organizations in life sciences, government, media and entertainment, research, and industrial technology trust Quantum with their most valuable asset - their data.
