Huntsman Publishes 2022 Sustainability Report

THE WOODLANDS, Texas, July 24, 2023 /PRNewswire/ -- Huntsman Corporation (NYSE: HUN) has published its 2022 corporate sustainability report titled, "Solutions for Sustainability," on its website at Huntsman.com/sustainability. This interactive report highlights the many ways in which Huntsman's products provide essential solutions for sustainability challenges. Huntsman's products enable the removal of hundreds of millions of tons of lifetime emissions. Whether it's energy savings in homes and buildings, the lightweighting of aircraft, supporting the electrification of transportation, enabling wind energy, or improving fuel efficiency, Huntsman products are integrally involved in ensuring a more sustainable world for future generations.

"Sustainability, first and foremost, begins with safe operations. We continue to make progress toward our Horizon 2025 targets," said Brittany Benko, Senior Vice President of Environmental, Health, Safety and Manufacturing Excellence and Corporate Sustainability Officer for Huntsman. "Our focus remains on eliminating both process safety incidents and injuries. We continue to take steps to improve energy and water use efficiency, reduce waste, and reduce greenhouse gas emissions from our operations as we continue to provide sustainable solutions to society."

Highlights from the report include:

- 50% collective progress on Huntsman's near-term Horizon 2025 targets
- 5% emissions footprint continues to decrease
- 20 product safety summaries published
- Reduction in total waste intensity

Huntsman discloses against the Task Force on Climate-related Financial Disclosures (TCFD), further improving the quality of its disclosures in accordance with both the Global Reporting Initiative (GRI) and the Sustainability Accounting Standards Board (SASB) frameworks. Limited assurance has been provided by a third party for operational greenhouse gas emissions (Scope 1 and Scope 2) and water consumption.
