The webcast will remain available online for one year following the presentation.

"Our mission is to be a leading purpose-driven cannabis company," said Mr. Bomford. "True Leaf exists to help people and their pets live healthy, happier lives by providing effective plant-based alternatives to patients who find their pharmaceutical treatments ineffective or intolerable. We have assembled a world-class team of medical, genetics and cultivation experts to research and develop a medicinal cannabis product line that will address, among others, neurological, musculoskeletal, gynaecological, and gastrointestinal conditions."

The company is currently building True Leaf Campus, a 25,000 square foot cannabis cultivation facility in the North Okanagan region of British Columbia. Construction is expected to be completed in late summer 2018.

Through its other division, True Leaf Pet, the company has pioneered hemp-seed based pet supplements that provide calming support, promote hip and joint health, and boost immune and heart function. The company's True Hemp™ dog chews, dental sticks, and supplement oils are currently sold in 1,800 stores worldwide and online on Amazon and WholesalePet.com.

The MicroCap Conference is an exclusive event dedicated to connecting small and micro-cap companies with high-level, institutional and retail investors.

### About True Leaf

Founded in 2013, True Leaf has two main operating divisions: True Leaf Medicine Inc. and True Leaf Pet Inc. The Company's goal is to provide federally-approved cannabis products

that will be sold across Canada and the United States. True Leaf Medicine Inc. was launched in July 2013 to become a licensed producer of medicinal cannabis for the Canadian market. True Leaf Medicine Inc. has been granted approval by Health Canada to build its grow facility and will be subject to a Health Canada inspection upon completion to allow for the cultivation, manufacture, and distribution of cannabis products. Currently, True Leaf does not have a license to produce cannabis.

Established in 2015, True Leaf Pet Inc. markets hemp-seed based products for the pet industry. The Company launched the True Hemp™ pet supplement line in Canada, the United States, and Europe, becoming one of the first hemp-seed based pet product lines to be marketed worldwide. True Hemp™ North American products are free of CBD and THC.
