About the Gateway Conference
The 8th Annual Gateway Conference is an invite-only conference presented by Gateway Investor Relations, a full-service financial communications firm. Gateway was created to bring together the most compelling companies with the nation's top institutional investors and analysts. This year's event features over 100 companies from a number of growth industries, including technology, business and financial services, consumer, digital media, clean technology and life sciences. The format has been designed to give attendees direct access to senior management via company presentations, Q&A sessions and one-on-one meetings. Follow the Gateway Conference on Twitter and join the conversation using the #GatewayIRConference hashtag. For more information, visit gatewayir.com/conference.

About Clearfield, Inc.
Clearfield, Inc. (NASDAQ: CLFD) designs, manufactures and distributes fiber optic management, protection and delivery products for communications networks. Our "fiber to anywhere" platform serves the unique requirements of leading incumbent local exchange carriers (traditional carriers), competitive local exchange carriers (alternative carriers), and MSO/cable TV companies, while also catering to the broadband needs of the utility/municipality, enterprise, data center and military markets. Headquartered in Minneapolis, MN, Clearfield deploys more than a million fiber ports each year. For more information, visit www.SeeClearfield.com.
