Genius Brands International (NASDAQ: GNUS) continues to expand the footprint of its premiere children's entertainment destination, Kartoon Channel! with the first television manufacturer deal finalized with Samsung, the world's largest TV manufacturer with a share of over 20% of the global TV market. Kartoon Channel! is available for FREE on Samsung Smart TVs.

Additionally, Kartoon Channel! is now also available on a new Android and the Android TV app, and a new version is available to stream on Roku as well. Kartoon Channel! is currently available across a broad spectrum of OTT, AVOD and mobile channels, including Apple TV and iOS, Amazon Fire TV, Google Play, Comcast, Cox, DISH, Sling TV, Xumo, and streaming on the web via www.kartoonchannel.com.

"We are very proud of what our team has accomplished in just three months since launching Kartoon Channel! with distribution across a broad spectrum of platforms with new partners being added frequently and new content coming to the channel on a weekly basis," commented **Jon Ollwerther, General Manager of Kartoon Channel! & EVP of Global**

Business Development at Genius Brands. “Today, Kartoon Channel! and Kartoon Classroom! are available, for free, to virtually every home in America, with the same great user experience and user interface. We are continuing to build unique avenues to provide a value-driven experience to our audience of toddlers to tweens and their parents and we are on track to achieve what we set out to do—create a premiere entertainment and educational destination in a safe environment to meet the needs of parents and kids.”

About Kartoon Channel! + Kartoon Classroom!

Available in over 100M U.S. television households and over 200M mobile devices, The Kartoon Channel!, which is also now available on iOS, offers access to a wide variety of Genius Brands original and acquired family-friendly content, with more added daily, including *Babar*, *Angry Birds*, *Stan Lee’s Mighty7*, *Thomas Edison’s Secret Lab*, *Baby Einstein*, *Baby Genius*, *Llama Llama* shorts, *Warren Buffett’s Secret Millionaires Club*, and more. Additionally, Genius Brands has added more family-friendly gaming content, including *Minecraft’s Journey to the End* and *Fairy Horse Quest*, *Octodad*, *PixArk*, and *Big B Roblox Challenge* from Tankee. Genius Brands will also premiere on Kartoon Channel! the upcoming comedy-adventure series, *Stan Lee’s Superhero Kindergarten*, currently in pre-production and starring Arnold Schwarzenegger, on Kartoon Channel! in Q1 2021.

Kartoon Channel! content has been curated through a program code developed in consultation with Stanford University Professor Emeritus Don Roberts, one of the world’s leading researchers of children’s media, to ensure the delivery of positive and purposeful content that parents can always know will provide safe viewing for their children. The Kartoon Channel! Content Code, under the leadership of Professor Roberts, ensures among other things, there will be no imitable violence, no negative stereotypes, no inappropriate language, no degradation of the environment, and no excess commercialization.

Kartoon Classroom! is an innovative extension of Kartoon Channel! that features relevant and impactful STEAM-based content (science, technology, engineering arts and math), including programming from Genius Brands’ ‘content with a purpose’ library such as *Baby Genius* (Early Development), *Thomas Edison’s Secret Lab* (STEM), and *Warren Buffett’s Secret Millionaires Club* (Financial Literacy). Additionally, Kartoon Classroom! will showcase content from third party creators worldwide, such as *Baby Einstein* (Early Development), *Little Smart Planet* (Early Learning), *I’m A Dinosaur* (Paleontology), *Super Geek Heroes* (Early Learning), *Counting with Earl* (Math), *Giligilis* (Musical Learning), and *Out of this Word* (English Language). Genius Brands will also develop new original content for the platform and announces the first Kartoon Classroom! original series in development, *KC! Pop Quiz*.
