About Rainbow Rangers

Featuring engaging storylines rooted in themes of empowerment, diversity, friendship and sustainability, Rainbow Rangers follows the thrilling rescue-based adventures of seven 9-year-old girls who are Earth’s first responders, protecting people, animals, resources, and the natural beauty of our world. The Rainbow Rangers, who live in the magical land of Kaleidoscopica at the other side of the rainbow, have their own distinctive personalities and superpowers. Whenever there’s trouble for the people or animals of Earth, our seven heroines zoom into action and ride their Spectra Scooters across the rainbow to save the day. Viewers will join them on exciting adventures, but also see them at home having the same daily dramas and hilarities as every preschooler watching the show. And at its heart, Rainbow Rangers is about empowering and encouraging girls to take action and make a difference in their own homes and neighborhoods to improve and safeguard the planet.

Beginning back-to-school 2019 (July/August), Genius Brands will launch the U.S. retail program for Rainbow Rangers with over 300 branded products debuting at retail across all categories of kid’s consumer products. Master toy partner Mattel will premiere a range of toys, including collectible dolls, traditional fashion dolls, role play items, and a playset. Other product categories from Genius Brands’ roster of blue-chip partners include apparel, publishing, sleepwear, bedding and bath, footwear, bags and backpacks, Halloween costumes and accessories, youth consumer electronics, health and beauty aids, cosmetics, bicycles and ride-ons, and a Rainbow Rangers live touring show.

Rainbow Rangers boasts a unique and highly-accomplished team of creators from the animated motion picture world, including Rob Minkoff (Disney’s The Lion King director), Shane Morris (Disney’s Frozen co-writer), Tim Mansfield and New York Times Bestselling author and Emmy-nominated writer Elise Allen (Dinosaur Train, Lion Guard, Barbie specials), who is serving as head writer and co-creator.
