Capstone Turbine to Present at the 19th Annual Rodman & Renshaw Global Investment Conference on September 12, 2017 in New York City

CHATSWORTH, Calif., Sept. 08, 2017 (GLOBE NEWSWIRE) -- Capstone Turbine Corporation (www.capstoneturbine.com) (NASDAQ:CPST), the world's leading clean technology manufacturer of microturbine energy systems, announced today that it will be featured as a presenting company at the 19th Annual Rodman & Renshaw Global Investment Conference, sponsored by H.C. Wainwright & Co., LLC. The conference will be held September 10-12, 2017 at The Lotte New York Palace Hotel in New York City.

Darren Jamison, Capstone's President and Chief Executive Officer, will provide a corporate overview and growth strategy to investors at the Rodman & Renshaw Global Conference on Tuesday, September 12, 2017, at 8:20 am Eastern Time.

"I am thrilled to be invited to present at such a reputable investment conference in New York City," said Darren Jamison, Capstone's President and Chief Executive Officer. "The Lotte New York Palace Hotel is an outstanding venue that happens to be powered in part by a Capstone integrated CCHP system located on the rooftop of the building."

Additionally, Capstone Management, RSP Systems and Rodman and Renshaw will be hosting a tour of the Lotte New York Palace Hotel's 780kW Microturbine based combined cooling, heat and power array on Tuesday, September 12, 2017. Institutional investors that are attending the Rodman and Renshaw conference are invited to attend the tour and can learn more about the event during Capstone's corporate presentation or through your Rodman and Renshaw representative.

Darren Jamison and Jayme Brooks, Capstone's Chief Financial Officer and Chief Accounting Officer, will be available for one-on-one meetings throughout the conference day. Institutional investors interested in scheduling a one-on-one meeting with Capstone's management team are encouraged to register for the Rodman and Renshaw at www.rodmanevents.com. Once your registration is confirmed, you will be prompted to log into the conference website to request a one-on-one meeting with Capstone.

Capstone's presentation can be viewed the day of the conference by visiting the Investor Relations section of the Capstone's website at www.capstoneturbine.com.

About Capstone Turbine Corporation

Capstone Turbine Corporation (www.capstoneturbine.com) (NASDAQ:CPST) is the world's leading producer of low-emission microturbine systems and was the first to market commercially viable microturbine energy products. Capstone has shipped over 9,000 Capstone Microturbine systems to customers worldwide. These award-winning systems have logged millions of documented runtime operating hours. Capstone is a member of the U.S. Environmental Protection Agency's Combined Heat and Power Partnership, which is committed to improving the efficiency of the nation's energy infrastructure and reducing emissions of pollutants and greenhouse gases. A UL-Certified ISO 9001:2015 and ISO 14001:2015 certified company, Capstone is headquartered in the Los Angeles area with sales and/or service centers in the United States, Latin America, Europe, Middle East and Asia.
