Ceapro Receives BIOTECanada Gold Leaf Award

Emerging Company of the Year-Industry and Agriculture

SAN DIEGO, CALIFORNIA -- (Marketwired) -- 06/24/14 -- Ceapro Inc. (TSX VENTURE: CZO) ("Ceapro" or the "Company") today received a prestigious Gold Leaf Award as a recognition from its peers for its innovative work in the Canadian Industry and Agriculture market segment. The award was received in the presence of Alberta Premier, the Honourable Dave Hancock, and President & CEO of Novo Nordisk Canada, Mr. Vince Lamanna, during the BIO International Convention being held in San Diego.

"We are delighted and honoured to receive this prestigious award. Our employees worked hard in the building of our Company over the last years and I am extremely grateful to them. I also wish to thank BIOTECanada and the selection committee who have recognized Ceapro's accomplishments amongst Canadian success stories and of course our partners, Agriculture and Agri-Food Canada, Alberta Innovates Bio Solutions, Agriculture Financial Services Corporation, Symrise AG as well as our Board and shareholders for their continued support over the years," said Gilles Gagnon, President & CEO of Ceapro. "I keep repeating that it takes years to build a company 'brick by brick'. We now have a solid foundation for growth and are ready to surge," he added.
