## ***About BioCorRx***

BioCorRx, Inc. (R) ([BICX](#)) is an addiction treatment and rehabilitation company offering a unique approach to the treatment of substance abuse addiction. The Start Fresh Program(R), a Medication-Assisted Treatment (MAT) program, consists of two components. The first component of the program consists of an outpatient implant procedure performed by a licensed physician. The implant delivers therapeutic levels of the drug Naltrexone, an opioid antagonist that significantly reduces physical cravings for alcohol and opioids, into the body. The second component of the program developed by BioCorRx, Inc. is a one on one counseling program specifically tailored for the treatment of alcoholism and other substance abuse addictions. Clinic reports show that the treatment program can be successful for individuals who complete the program. For more information on BICX, visit [www.BioCorRx.com](http://www.BioCorRx.com)
