About BioCorRx

BioCorRx Inc. (OTCQB: BICX) is an addiction treatment solutions company offering a unique approach to the treatment of substance abuse addiction and related disorders. The BioCorRx® Recovery Program, a non-addictive, medication-assisted treatment (MAT) program, consists of two main components. The first component of the program consists of an outpatient implant procedure performed by a licensed physician. The implant delivers the non-addictive medicine, naltrexone, an opioid antagonist that can significantly reduce physical cravings for alcohol and opioids, and can prevent opioid overdose following relapse. The second component of the program developed by BioCorRx Inc. is a Cognitive Behavioral Therapy (CBT) program tailored specifically for the treatment of alcoholism and other substance abuse addictions for those receiving long-term naltrexone treatment. The Company also conducts R&D under its controlled subsidiary, BioCorRx Pharmaceuticals. For more information on BICX and product pipeline, visit www.BioCorRx.com.

About LD Micro

LD Micro was founded in 2006 with the sole purpose of being an independent resource in the microcap space. What started out as a newsletter highlighting unique companies has transformed into an event platform hosting several influential conferences annually. In 2015, LD Micro launched the first pure microcap index to exclusively provide intraday information on the entire sector. LD provides tools for the benefit of everyone in the small and microcap universe.
