*Acquisition is expected to be immediately accretive on an EBITDA and cashflow basis*

TORONTO, May 07, 2025 (GLOBE NEWSWIRE) -- **TerrAscend Corp. ("TerrAscend" or the "Company") (TSX: TSND, OTCQX: TSNDF)**, a leading North American cannabis company, today announced the closing of its previously announced acquisition of the assets of Ratio Cannabis LLC ("Ratio Cannabis"), a cannabis dispensary located in Goshen Township, Ohio. The acquisition represents TerrAscend's initial entry into its sixth state, Ohio, and is expected to be immediately accretive on an EBITDA and cashflow basis. This acquisition increases TerrAscend's retail footprint to 39 dispensaries across six U.S. states and Canada. The Company intends to acquire additional Ohio dispensaries in the future.

"Ratio Cannabis is a strong performer, with no competition within a 20-mile radius, generating \$9 million in annualized revenue. Entering Ohio has long been a priority for us," stated Jason Wild, Executive Chairman of TerrAscend. "This acquisition is a great first step in Ohio and we will continue to aggressively pursue additional accretive dispensary acquisitions, up to the eight dispensary state limit."

## Caution Regarding Cannabis Operations in the United States

Investors should note that there are significant legal restrictions and regulations that govern the cannabis industry in the United States. Cannabis remains a Schedule I drug under the U.S. Controlled Substances Act, making it illegal under federal law in the United States to, among other things, cultivate, distribute or possess cannabis in the United States. Financial transactions involving proceeds generated by, or intended to promote, cannabis-related business activities in the United States may form the basis for prosecution under applicable

US federal money laundering legislation.

While the approach to enforcement of such laws by the federal government in the United States has trended toward non-enforcement against individuals and businesses that comply with medical or adult-use cannabis programs in states where such programs are legal, strict compliance with state laws with respect to cannabis will neither absolve TerrAscend of liability under U.S. federal law, nor will it provide a defense to any federal proceeding which may be brought against TerrAscend. The enforcement of federal laws in the United States is a significant risk to the business of TerrAscend and any proceedings brought against TerrAscend thereunder may adversely affect TerrAscend's operations and financial performance.
