May 22, 2014

SEI to Hold Investor Conference

Public Invited to Monitor Webcast

OAKS, PA -- (Marketwired) -- 05/22/14 -- SEI Investments Company (NASDAQ: SEIC) will present a live webcast of its annual Investor Conference on Tuesday, June 3, 2014, 8:30 a.m. to approximately 1:00 p.m. (ET).

SEI's Investor Conference, attended by institutional investors and industry analysts, will feature presentations by SEI's top executives describing the company, its markets, and strategies for future growth.

The public is invited to view the presentation and listen to the webcast of the conference at www.seic.com/investors. The webcast may also be accessed at numerous financial services websites, including Google Finance and Yahoo Finance. It will be available for replay shortly after the conference and will be archived for one year.

About SEI
SEI (NASDAQ: SEIC) is a leading global provider of investment processing, investment management, and investment operations solutions that help corporations, financial institutions, financial advisors, and ultra-high-net-worth families create and manage wealth. As of March 31, 2014, through its subsidiaries and partnerships in which the company has a significant interest, SEI manages or administers $582 billion in mutual fund and pooled or separately managed assets, including $239 billion in assets under management and $343 billion in client assets under administration.
