Focus Universal Inc. to Showcase Wide Array of Innovative AVX Branded LED Displays at InfoComm 2023

ONTARIO, CA and LOS ANGELES, CA / ACCESSWIRE / April 6, 2023 / Focus Universal Inc. (NASDAQ:FCUV) ("Focus" or the "Company"), a provider of patented hardware and software design technologies for Internet of Things (IoT) and 5G, today announced that it will participate at InfoComm 2023 at the Orange County Convention Center in Orlando, FL from June 14-16. Focus will be at Booth #689 in the Exhibit Hall.

InfoComm is North America's largest technology exhibition and conference focused on the pro AV industry. The exhibition is produced by the Audiovisual and Integrated Experience Association (AVIXA) and currently ranks as a top 30 largest trade show in the United States by Trade Show Executive.

Irving Kau, CFO of Focus Universal Inc. commented, "We have a great booth planned and are excited to participate at InfoComm and welcome attendees to visit our booth to learn about our AVX-branded collection of LED panels, displays, and other AV devices within the world of IoT. Our product offerings are rooted in high-performance, easy-to-use solutions for potential customers in industries such as AV, content production, digital signage, and learning technology."

About Focus Universal:

Focus Universal Inc. (NASDAQ: FCUV) is a provider of patented hardware and software design technologies for Internet of Things (IoT) and 5G. The company has developed five disruptive patented technology platforms with 28 patents and patents pending in various phases and 8 trademarks pending in various phases to solve the major problems facing hardware and software design and production within the industry today. These technologies combined to have the potential to reduce costs, product development timelines and energy usage while increasing range, speed, efficiency, and security. Focus currently trades on the Nasdaq Global Markets and is in the Russell 2000 Index.

Forward-Looking Statements:

Statements in this press release about future expectations, plans and prospects, as well as any other statements regarding matters that are not historical facts, may constitute "forward-looking statements" within the meaning of The Private Securities Litigation Reform Act of 1995. The words "anticipate," "believe," "continue," "could," "estimate," "expect," "intend," "may," "plan," "potential," "predict," "project," "should," "target," "will," "would" and similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain these identifying words. Actual results may differ materially from those indicated by such forward-looking statements as a result of various important factors,

including: the uncertainties related to market conditions and the completion of the public offering on the anticipated terms or at all, and other factors discussed in the "Risk Factors" section of the preliminary prospectus filed with the SEC. Any forward-looking statements contained in this press release speak only as of the date hereof and Focus Universal specifically disclaims any obligation to update any forward-looking statement, whether as a result of new information, future events or otherwise.
