TTM Technologies, Inc. announces the Opening of its Regional Sales Offices in Japan and India

COSTA MESA, Calif., Sept. 05, 2018 (GLOBE NEWSWIRE) -- TTM Technologies, Inc. (Nasdaq:TTMI) announces the opening of our Regional Sales Office in Shin-Yokohama, Japan on September 1, 2018. The new Japan Regional Sales Office is located at 3-7-18 Shin-Yokohama, Kohoku-ku, Yokohama, Kanagawa, Japan to provide local service to our customers located in the Japan and Korea region.

Earlier this year, TTM also established a Regional Sales Office in India. That office is located at Unit # 804, Prestige Meridian-1, # 29, M.G. Road, Bangalore-560001. India.

"TTM is dedicated to continuous improvement in how we service our customers around the world. The opening of these new sales offices in Japan and India demonstrates this commitment, strengthening TTM's presence in both countries in support of our customers and better positioning us for future growth," said Mr. Kent Hardwick, Senior Vice President, Global Sales.

About TTM

TTM Technologies, Inc. is a leading global printed circuit board manufacturer, focusing on quick-turn and volume production of technologically advanced PCBs, backplane assemblies and electro-mechanical solutions as well as a global designer and manufacturer of high-frequency radio frequency (RF) and microwave components and assemblies. TTM stands for time-to-market, representing how TTM's time-critical, one-stop manufacturing services enable customers to shorten the time required to develop new products and bring them to market. Additional information can be found at www.ttm.com.
