Cummins Inc. Declares Quarterly Common Stock Dividend

COLUMBUS, Ind.--(BUSINESS WIRE)-- The Board of Directors of Cummins Inc. (NYSE: CMI) today declared a quarterly common stock cash dividend of 1.08 dollars per share, payable on June 1, 2018, to shareholders of record on May 18, 2018.

About Cummins

Cummins Inc., a global power leader, is a corporation of complementary business units that design, manufacture, distribute and service diesel and natural gas engines and related technologies, including fuel systems, controls, air handling, filtration, emission solutions and electrical power generation systems. Headquartered in Columbus, Indiana, (USA) Cummins currently employs approximately 58,600 people worldwide and serves customers in approximately 190 countries and territories through a network of approximately 500 company-owned and independent distributor locations and approximately 7,500 dealer locations. Press releases can be found on the Web at www.cummins.com. Follow Cummins on Twitter at www.twitter.com/cummins and on YouTube at www.youtube.com/cumminsinc.

Forward-looking disclosure statement

Information provided in this release that is not purely historical are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, including statements regarding our forecasts, guidance, preliminary results, expectations, hopes, beliefs and intentions on strategies regarding the future. These forward looking statements include, without limitation, statements relating to our plans and expectations for our revenues and EBITDA percentage for the full year of 2018. Our actual future results could differ materially from those projected in such forward-looking statements because of a number of factors, including, but not limited to: (i) a sustained slowdown or significant downturn in our markets; (ii) our truck manufacturing and OEM customers discontinuing outsourcing their engine needs; (iii) the development of new technologies; (iv) the discovery of any significant additional problems with our engine platforms or aftertreatment systems in North America; (v) performance or safety-related recalls; (vi) lower than anticipated market acceptance of our new or existing products or services; (vii) a slowdown in infrastructure development and/or depressed commodity prices; (viii) unpredictability in the adoption, implementation and enforcement of increasingly stringent emissions standards around the world; (ix) our reliance on significant earnings from investees that we do not directly control;

(x) the adoption and impact of new tax legislation; (xi) potential security breaches or other disruptions to our information technology systems and data security; (xii) financial distress or a change-in-control of one of our large truck OEM customers; (xiii) our pursuit of strategic acquisitions and divestitures; and (xiv) other risks detailed from time to time in our Securities and Exchange Commission filings, including particularly in the Risk Factors section of our 2017 Annual Report on Form 10-K. Shareholders, potential investors and other readers are urged to consider these factors carefully in evaluating the forward-looking statements and are cautioned not to place undue reliance on such forward-looking statements. The forward-looking statements made herein are made only as of the date of this press release and we undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise. More detailed information about factors that may affect our performance may be found in our filings with the Securities and Exchange Commission, which are available at <http://www.sec.gov> or at <http://www.cummins.com> in the Investor Relations section of our website.
