Astronics Corporation to Present at the Gabelli & Company 16th Annual Aircraft Supplier Conference

EAST AURORA, N.Y.--(BUSINESS WIRE)-- Astronics Corporation (NASDAQ: ATRO), a leader in advanced, high performance lighting, electrical power and automated test systems for the global aerospace and defense industries, today announced that Peter J. Gundermann, President & Chief Executive Officer, and David C. Burney, Chief Financial Officer, will present at the Gabelli & Company 16th Annual Aircraft Supplier Conference at the Grand Hyatt Hotel in New York City on Wednesday, September 8, 2010.

Astronics' presentation is scheduled to begin at 3:30 p.m. ET. A live webcast of the presentation, along with presentation materials, will be available on the Company's Web site at www.astronics.com. If you are unable to listen to the live presentation, an archive will be made available on the Web site, in the Investor Relations section, on the Calendar of Events page.

ABOUT ASTRONICS CORPORATION

Astronics Corporation is a leader in advanced, high performance lighting, electrical power and automated test systems for the global aerospace and defense industries. Astronics' strategy is to develop and maintain positions of technical leadership in its chosen aerospace and defense markets, to leverage those positions to grow the amount of content and volume of product it sells to those markets and to selectively acquire businesses with similar technical capabilities that could benefit from our leadership position and strategic direction. Astronics Corporation, and its wholly-owned subsidiaries, DME Corporation, Astronics Advanced Electronic Systems Corp. and Luminescent Systems Inc., have a reputation for high quality designs, exceptional responsiveness, strong brand recognition and best-in-class manufacturing practices. The Company routinely posts news and other important information on its Web site at www.Astronics.com.

For more information on Astronics and its products, visit its website at www.Astronics.com.
