10 CUSIP number <b>939653101</b>	11 Serial number(s)	12 Ticker symbol <b>WRE</b>	13 Account number(s)

## Part II Organizational Action Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ► **Washington Real Estate Investment Trust made cash distributions on January 6, 2021, April 5, 2021, July 6, 2021 and October 5, 2021 to each of its common stock shareholders of record on December 23, 2020, March 22, 2021, June 23, 2021 and September 22, 2021, respectively.**

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ► **100% of each cash distribution made by Washington Real Estate Investment Trust during the calendar year 2021 is not taxable as a dividend under Section 301(c)(1), but is applied against basis under Section 301(c)(2) ("return of capital"). The return of capital on a per share basis is as follows:**

Distribution Date	Amount per Share
January 6, 2021	\$0.30000
April 5, 2021	\$0.30000
July 6, 2021	\$0.30000
October 5, 2021	\$0.17000

**As such, each shareholder's tax basis in the common stock of Washington Real Estate Investment Trust is decreased by the lesser of the amount of the shareholder's share of the return of capital distributions or the shareholder's tax basis in such common stock.**

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ► **The change in basis was determined by comparing the cash distributions made by Washington Real Estate Investment Trust during calendar year 2021 to the amount of Washington Real Estate Investment Trust's 2021 current earnings and profits determined under Sections 312 and 316. Total cash distributions to the common shares made during the calendar year were \$89,296,857 and the 2021 current earnings and profits were \$0 resulting in a total return of capital for the tax year 2021 attributable to all shareholders of the common stock in the amount of \$89,296,857. Accordingly, the 2021 return of capital percentage is 100%.**

**17** List the applicable Internal Revenue Code section(s) and subsection(s) upon which the tax treatment is based ► **Sections 301, 312 and 316**

18 Can any resulting loss be recognized? ► **No loss can be recognized as a result of the cash distributions to the common shareholders.**

**19** Provide any other information necessary to implement the adjustment, such as the reportable tax year ► **The reporting tax year is 2021.**

Under penalties of perjury, I declare that I have examined this return, including accompanying schedules and statements, and to the best of my knowledge and belief, it is true, correct, and complete. Declaration of preparer (other than officer) is based on all information of which preparer has any knowledge.
