International replay number: 1-412-317-6671  
Replay ID: 13726913

## **About Kubient**

Kubient is a technology company with a mission to transform the digital advertising industry to audience-based marketing. Kubient’s next generation cloud-based infrastructure enables efficient marketplace liquidity for buyers and sellers of digital advertising. The Kubient Audience Marketplace is a flexible open marketplace for advertisers and publishers to reach, monetize and connect their audiences. The Company’s platform provides a transparent programmatic environment with proprietary artificial intelligence-powered pre-bid ad fraud prevention, and proprietary real-time bidding (RTB) marketplace automation for the digital out of home industry. The Audience Marketplace is the solution for brands and publishers that demand transparency and the ability to reach audiences across all channels and ad

formats. For additional information, please visit <https://kubient.com>.

### **Forward-Looking Statements**

The information contained herein includes forward-looking statements. These statements relate to future events or to our future financial performance, and involve known and unknown risks, uncertainties and other factors that may cause our actual results, levels of activity, performance, or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by these forward-looking statements. You should not place undue reliance on forward-looking statements since they involve known and unknown risks, uncertainties and other factors which are, in some cases, beyond our control and which could, and likely will, materially affect actual results, levels of activity, performance or achievements. Any forward-looking statement reflects our current views with respect to future events and is subject to these and other risks, uncertainties and assumptions relating to our operations, results of operations, growth strategy and liquidity. We assume no obligation to publicly update or revise these forward-looking statements for any reason, or to update the reasons actual results could differ materially from those anticipated in these forward-looking statements, even if new information becomes available in the future. The safe harbor for forward-looking statements contained in the Securities Litigation Reform Act of 1995 protects companies from liability for their forward-looking statements if they comply with the requirements of the Act.
