Galaxy Gaming Leaders to Attend MoneyShow Las Vegas

CEO, CFO Will Participate in Premium Tradeshow for Retail Investors and Trading Experts

LAS VEGAS, May 8, 2013 (GLOBE NEWSWIRE) -- Galaxy Gaming, Inc. (OTC:GLXZ), announced today that the company's Chief Executive Officer and Chief Financial Officer will be exhibiting at the upcoming MoneyShow Las Vegas, attended by thousands of investors looking to gain profitable insights and boost investment savvy.

"This is a very important conference, and we are looking forward to connecting with our current investors who have profited from Galaxy Gaming and also spreading the word about what our successful and unique business is all about," said the company's CEO, Robert B. Saucier.

Las Vegas-based Galaxy Gaming is the world's second-largest developer, manufacturer and distributor of cutting-edge products for the casino industry, including casino table games, enhanced game systems and e-Tables. The company will also be demonstrating the very successful *High Card Flush*, voted Best New Table Game of 2012 by *Casino Journal*.

The MoneyShow will be held from May 13-16 at Caesar's Palace Las Vegas, which is also one of the primary clients and largest showcases of Galaxy Gaming products.

"Through the toughest economic times and in the most challenging economic region in the country, Galaxy Gaming continues its momentum of success," said Gary A. Vecchiarelli, the company's CFO. "We are achieving consistent growth and executing effective strategies at a time when many in our industry simply can't compete. That's exactly what retail investors look for in companies our size."

The trade show is known for establishing relationships with the most prominent professionals and financial media in the country and providing the active and thoughtful investor with the opportunity to gain an in-depth knowledge of growth companies.

About Galaxy Gaming

Headquartered in Las Vegas, Galaxy Gaming (www.galaxygaming.com) develops, manufactures and distributes innovative proprietary table games, state-of-the-art electronic wagering platforms and enhanced bonusing systems to land-based, riverboat, cruise ships and online casinos worldwide.
