Galaxy Gaming Announces Executive Presence at Sixth Annual LD Micro Conference

Company will sponsor, present and showcase its products, performance and perspective at 6th annual gathering of micro-cap companies, investors

Las Vegas, NV, Nov. 26, 2013 (GLOBE NEWSWIRE) -- Enhancing its leading brand in the casino table games industry and strong standing in the micro-cap market, Galaxy Gaming (OTC:GLXZ) announced its largest and most comprehensive presence at the upcoming LD Micro Conference in Los Angeles. The sixth annual gathering will take place December 3-5 at the Luxe Sunset Bel Air Hotel.

"After an outstanding year of establishing new markets for our products and expanding our existing casino partnerships, LD Micro is a destination event and a can't-miss conference," said Galaxy Gaming CEO Robert Saucier. "We've enjoyed real success and high visibility in the past and this year will be our best conference yet because we deliver the value and vision investors are looking for."

The conference expands to three days this year and features 233 invited companies in the small and micro cap space. More than 1,000 people registered and attended the 2012 event.

"We are honored to have Galaxy Gaming present at the conference, and thank them for being strong supporters of the event since its inception," stated Chris Lahiji, President of LD Micro.

Galaxy Gaming executives will make their scheduled live presentation December 4th at 10:00 a.m. in the Track One section. Among the specific topics they will discuss include the company's increasing high-margin recurring revenue streams, ongoing plans for continued dominance of the United Kingdom market and strategies for sustained domestic growth in 2014 and beyond.

In addition, the company will be exhibiting all three days of the conference, as well as, offering one-on-one sessions as part of its investor visibility program.

"Our company maintains a unique position in the casino gaming market and continues to be an intriguing investment option to savvy micro-cap investors," said Gary A. Vecchiarelli, Galaxy Gaming's Chief Financial Officer.
