Cinemark's improved loyalty program was fueled by extensive consumer research, creating a simple and modern program that gives moviegoers greater access to free tickets, special events and food and beverage rewards. Cinemark Movie Rewards utilizes a simple points-per-dollar approach, allowing members to earn and track points easily.

"We are constantly looking for new opportunities to innovate and evolve our offerings and provide our guests the ultimate moviegoing experience," said Mark Zoradi, CEO, Cinemark. "Cinemark created Cinemark Movie Rewards to not only meet the needs of our customers but exceed them by providing a user-friendly program that's effortless to manage, personalize and access."

Cinemark Movie Rewards combines Cinemark Connections, Cinemark's existing free loyalty program, and Movie Club, the monthly membership program, under one umbrella, giving loyalty members the chance to choose between two tiers— Movie Fan and Movie Club:

- For a monthly fee of \$8.99, or \$9.99 in CA, OR, WA and AK, and in addition to all Movie Fan benefits, members receive one ticket per month, member pricing on additional tickets, a 20% discount on all concessions every visit and the ability to reserve seats with no online fees. All unused tickets rollover each month and can be used any time with no expiration for active members.
