Definium Therapeutics to Host Investor and Analyst Day in New York on April 22, 2026

NEW YORK--(BUSINESS WIRE)-- Definium Therapeutics, Inc. (NASDAQ: DFTX), a late-stage clinical biopharmaceutical company developing a new generation of therapeutics intended to address underlying causes of psychiatric and neurological disorders, today announced additional details for its Investor & Analyst Day in New York on April 22, 2026.

Presentations and live question and answer sessions will be led by members of Definium's executive leadership team and external key opinion leaders who will provide clinical and real-world context on the evolving treatment landscape in generalized anxiety disorder (GAD) and major depressive disorder (MDD).

Key areas of discussion will include DT120 ODT (lysergide tartrate), Definium's lead investigational program in Phase 3 development for GAD and MDD, expectations for anticipated 2026 topline data readouts, and the potential market opportunity for DT120 ODT.

Featured key opinion leaders include:

- **Brittany Albright, MD, MPH, DABOM**, Owner & CEO of Sweetgrass Psychiatry and Affiliate Assistant Professor at the Medical University of South Carolina
- **Andrew Penn, MS, PMHNP**, Professor at the University of California, San Francisco School of Nursing and Director of Clinical Nursing Operations at Salma Health
- **Shannon Sarkar, PhD, LPC, NCC**, Licensed Professional Counselor, National Certified Counselor, Psychedelic-Assisted Therapy Clinical Trial Facilitator and Adjunct Professor of Counselor Education, Missouri Baptist University

EVENT DETAILS:

Date: Wednesday, April 22, 2026

Time: 10 AM – 12 PM EDT (followed by lunch)
