## About Calyxt

Calyxt (NASDAQ: CLXT) is a plant-based innovation company that utilizes our patented breeding technology to make the food you love a healthier choice. The care we take extends beyond nutritional value. We partner with farmers and food companies to deliver traceable plant-based products developed to be healthier and more sustainable than their conventional counterparts. We use cutting edge plant breeding techniques to develop products that help improve diets by reducing bad fats, allergens and toxins. Today oil from our high oleic soybean plants has lower saturated fats than commodity soybean oil. We are also developing high fiber wheat designed to provide an excellent source of daily fiber when incorporated into wheat-based foods. We continuously pursue innovation to deliver good

food that is good for you. For further information, please visit our website at [www.calyxt.com](http://www.calyxt.com).
